A Love To Last Episode 19 We started with Andeng taking a seat at the bar after Anton and Totoy performed. Tracy made sure she sat next to Anton, but Totoy sat next to her on the opposite side so she was between them. Andy asked what they were doing together, and Anton said they went out for a drink and were invited to perform with the band. After a while, Anton said he had to go home because of the children. Tracy wanted to walk him out, but Anton said it was okay. Tracy said that Andeng wanted to ask him something about the tech fair and asked that she be the one to walk Anton out to his car. When they were outside, Tracy went back in after saying she forgot her phone, so she left Andeng with Anton. Anton waited for Jordan to bring the car and chatted for a while about jamming while in college. She asked him again why he was with Totoy and Anton said they went for a drink and it seemed like they had a lot in common. He mentioned a few things like music so ended up mentioning Andeng. He told her that Totoy was a good man and would take good care of her. Jordan arrived so they couldn't talk anymore, and Anton left. Lucas had gone to see Grace at her hotel, and Chloe called to ask when he was going home. Lucas said he would stay a while longer and then go home. Kitty wanted to know where Lucas was, but Chloe said he was going somewhere. When Lucas came home, he was happy and told Chloe that he had fun with Grace because he always made him feel confident and happy. He encouraged Chloe to meet her too to see what effect it would have on her. Kitty overheard them from her room and found out grace was back. When Anton got home, Chloe talked to him about seeing Grace. Anton said he wouldn't stop her from leaving, but Chloe said she wasn't yet ready to meet grace again. She asked Anton if it made her a bad person, but Anton said he understood her because of what she had been through. He therefore asked her not to force herself to see Grace if she was not ready. The following day, Totoy called Andeng to ask if she would go home to Batangas. Andeng said she would go home, but it would be later because she had to finish some work in the office. Totoy said he would wait for her and asked Andeng to make sure she went home. He continued to prepare a surprise for her with the help of her family. Chloe brought a suit that she had borrowed from Lucas, which Tupe was wearing. She told him to try it on then asked that he accompany her somewhere. They went to Grace's hotel, but Chloe broke down when she saw her and ran away. Tupe comforted her and later took her out to eat noodles at a Chloe asked him why he didn't tell her to forgive his mother, but Tupe said he couldn't tell her how to feel. He therefore preferred not to say anything and instead be there for her because she was sorry. Bea, the girl who had set Anton up with the call and invited Anton to be her date at a charity event. Anton said yes and agreed to go as her date. He later met up with Tom and their other friend (who knows is his name?) He told them that although he had given up On Andeng, he was glad to know that he could still fall for someone after what happened to Grace. Andeng had missed his prom, so Totoy prepared a prom themed party and invited their high school. He said he missed his chance to tell Andeng about his feelings for her because her father had returned so he would do it then. He said he loved her and asked Andeng to love him back. But Andreg asked for them to speak privately. When they went outside, Andeng told Totoy that he was sorry because she couldn't love him back. Totoy concluded that Andeng was in love with Anton, and she finally admitted it. Anton said he had already guessed it but had to put in all his efforts to win her affection. He also told her not to apologize for loving someone. After their conversation, they agreed to remain friends. When Totoy went to tell guests to leave, Andeng confessed to his mother that she was in love with Anton. She said he was older than her and already had children, which is why she had turned him down. Aunt Baby asked if he was married and Andeng said he had his marriage annulled. The following morning, Andeng went to Kitty's school to get paid for the school fair they organized. She saw Kitty there, and she sulked. Andy asked her what was wrong, and Kitty said some kids bullied her. Andeng told her to ignore them, but if they kept bullying her, she could tell her teacher or Andeng herself. Andeng then went to the office, as she was due to meet chloe to update her on the party. Chloe was happy to see progress and Andeng said her mother was the one who helped her with the ideas. Chloe asked Andeng if she gave them a hard time, but Andeng said everything was fine. Kitty was bullied again, then told the children she would tell her aunt Andrea. She ran from school away and took a Jeepney. When her nanny picked her up, she wasn't there, so she called Anton to tell her what happened. He called Chloe to tell her what happened, then went to school to watch the CCTV footage. We finished as Anton saw her get in a jeepney.... Please share your views... It's been a while, but Kemphi is back! I took some time out to think of a rebrand plan ago things have not been easy and therefore why it took so long. Unfortunately, Facebook wouldn't accept the name change, so we'll keep it until we're able to find a solution. In this new chapter, Kemphi will no longer be limited to Filipino shows. We will also cover Mexican and Korean shows on the platform. However, it is important not that I will not give summaries to any shows. The content we will share moving forward includes drama news, reviews and updates that will be posted on Kemphi's official blog and other entertainment sites, as well as interactive content such as quizzes and polls.
