ENTWINED BOOK WITH YOU Original Title : ENTWINED WITH YOU [book 3 of CROSSFIRE Series] Copyright © 2013 by Sylvia Day Cover photograph by Producer Edwin Tse Gramedia Translation Main Library : Ingliana Editor : Hethi Rusli Cover Design : Marcel A. W. Print I : February 2018 ISBN 978-602-03-1375-7 Normal Price: Rp. 88.000,- Rate : 3.5 of 5 Eva Trammell finally broke with Gideon Cross. At least that's news spread out in the top communities and socialites. No one knew that Eva nor Gideon played a 'special role' role in relation to secrets being able to put Gideon in jail. Because he had 'killed' Nathan - Eva's half brother who had harassed him for years, and when he returned to New York to disrupt Eva, the gideon decided there was no other way to get Eva from obliging the source of the problem... In order to protect Gideon as a suspect, Eva was willing to lead a 'pretend broken' life so that authorities did not continue to hunt down the gideon. Whether he had to keep this secret from his family and even his good friend and apartment friend, Cary Taylor, or try to dispose of the poignancy saw Corinne Giroux emerge as Gideon's companion at some luxury event, Eva continued. Gideon, meanwhile, who is supposed to get his status, couldn't bear to part for too long with Eva. He also takes apartments next to Eva's apartment, so they can regularly hold 'secret meetings' without anyone acclaimed including paparazzi. The third book of the Cross series still has a 'fascination' of extraordinary sexual intercourse between Eva and Gideon. Being victims of sexual abuse trauma by people who are supposed to maintain the beliefs they provide, the pain and betrayal make them disgappy human beings for only regular sexual activity. For example Gideon who often suffers from a terrifying nightmare accompanied by typical symptoms of sexual parasomnia - where he can unknowingly seek revenge in a state of dreams by doing torture and rape against his sleeping partner, trying to avoid 'sleeping' with Eva, but can last forever? Frankly, I don't know the extent of the psychological impact on traumatic victims of sexual abuse that falls into the cruel rape category, whether it will make its victims a fan of rough sex games rather than roleplay. Describing how Eva tried to 'help' Gideon by having sex in the style of one of the pets (previously apologizing for my use of vocabulary) ... well, perhaps on one of the techniques and stages of recovery, different types of 'relief' are required, so kind of a poison healing theory versus (^_^) – That's just my theory though LOL. Waking up next to you feels like... Christmas Day unfolds. To make it easier for you, my parcel has been opened. No batteries required. You are a great gift to a woman, you know. Tempting, tempting gifts ... Specifically, the theme of this story is not the kind of reading I like. But I must admit, Sylvia Day is able to write in an easy, funny style by playing the emotional power of her character while astonished the reader on an absurd odyssey but somehow touching the human side of the soul and the dissected human heart. The pull of the rope between Eva and her former male friend Bret Kline, or Gideon with the women she was friends with, including Corinne Giroux who was Gideon's 'first love', really made me 'greetain' because of the difference in principle that went so far around the topic of lifestyle free sex. Quoting one of Gideon's dialogues (arguments) against Eva's anger, that she 'excites' other women through sex is not something serious because of how she was 'infatuated' with Eva (translation: blind love) Myself is an empty hook. You're the one who rejected me, Eva. Can you understand that? You are my heart and soul. If anything happens to you, I'll be tortured too. Protecting you means protecting myself! That's for me, if you don't want to do it for yourself. [p. 47] At the very least, the termination of this story is finally in accordance with my principles... although very romantic and rather hot (which does not include unreasonable or strange scenes). It was with great relief that I was prepared to close the tumultuous and tumultuous story page between Gideon Cross and Eva Trammell with the thought of beautiful and pleasant things. And then I took the last page... it turns out that this story still has the continuity of the #duh brothers - ngak so deh relief, jumble between curious and do not want to lose a beautiful romantic second that I only have the opportunity to feel.
