At the beginning of the game, you choose the party you would like to fight for. You remember that along with your players from other countries of the world will play. Therefore, you will not be able to predict the opponent's behavior. Your character appears in the starting point of a game armed with a standard weapon. Your job is to kill the enemy. Use different structures and objects to shelter from bullets and of course shoot at the answer. Try to do it quickly and don't care to surround himself. At the end of a round, the result is summarized and the victory is appropriated. Whoever killed the most enemies will win. Win.
