I've got my mind made and I'll never turn back Because I want to see my Jesus someday I get my mind is made and I won't turn back Because I want to see my Jesus someday I get my mind made and I won't turn back Because I want to see my Jesus someday my mind is made and I won't turn back Because I want to see my Jesus someday I get my mind made and I won't turn back Because I want to see my Jesus someday I get my mind made and I won't turn back Because I want to see my Jesus someday I get my mind made and I won't turn back Because I want to see my Jesus someday I get my mind made and I won't turn back Because I want to see my Jesus someday I get my mind made and I won't turn back Because I want to see my Jesus someday I get my mind made and I won't turn back Because I want to see my Jesus someday I get my mind made and I won't turn back Because I want to see my Jesus someday I get my mind made and I won't turn back Because I want to see my Jesus someday I get my mind made and I won't turn back Because I want to see my Jesus someday I get my mind made and I won't turn back Because I want to see my Jesus someday I get my mind made and I won't turn back Because I want to see my Jesus someday I get my mind made and I won't turn back Because I want to see my Jesus someday I get my mind made and I won't turn back Because I want to see my Jesus someday I get my mind made and I won't turn back Because I want to see my Jesus someday I get my mind made and I won't turn back Because I want to see my Jesus someday I get my mind made and I won't turn back Because I want to see my Jesus someday I get my mind made and I won't turn back Because I want to see my Jesus someday I get my mind made and I won't turn back Because I want to see my Jesus someday I get my mind made and I won't turn back Because I want to see my Jesus someday I get my mind made and I won't turn back Because I want to see my Jesus someday I get my mind made and I won't turn back Because I want to see my Jesus someday I get my mind made and I won't turn back someday someday, I stay no longer with you the pleasure of goodbye sin, I live no longer with you, I have made my mind to go the way of God for the rest of my life, I have made my mind to go God the way my whole world of life IsGoodbye, I live no longer with you I have made my mind to go the way my life is all my life is all my life. I have made my mind to go the way my lifetime Of Born, born again thanks God, I was born again thanks God, I was born again born again thanks God, I was born again thanks again, I was born again Born of water, spirit and blood thanks God, I was born again Born of water, spirit and blood thanks to God, I was born again Born of water, spirit and blood thanks God, I was born again Born of water, spirit and blood thanks to God, I was born again Born of water, spirit and blood thanks to God, I was born again Born of water, spirit and blood thanks to God, I was born again Born of water, spirit and blood thanks to God, I was born again Born of water, spirit and blood thanks to God, I was born again Born of water, spirit and blood thanks God, I was born again Born of water, spirit and blood thanks to God, I was born again Born of water, spirit and blood thanks God, I was born again Born of water, spirit and blood thanks God, I was born again Born of water, spirit and blood thanks to God, I was born again Born of water, spirit and blood thanks God, I was born again Born of water, spirit and blood thanks God, I was born again Born of water, spirit and blood thanks to God, I was born again Born of water, spirit and blood thanks God, I was born again Born of water, spirit and blood thanks God, I was born again Born of water, spirit and blood thanks God, I was born again Born of water, spirit and blood thanks God, I was born again Born of water, spirit and blood thanks God, I was born again Born of water, spirit and blood thanks God, I was born again Born of water, spirit and blood thanks God, I was born again Born of water, spirit and blood thanks God, I was born again Born of water, spirit and blood thanks God, I was born again Born of water, spirit and blood thanks God, I was born again Born of water, spirit and blood thanks God, I was born again Born of water, spirit again Born of wate wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn' Later I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus some turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn b mind made and I won't turn back Because I want to see jesus me someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my min have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to someday I had got my mind made and I wouldn't turn back, a higher rock than I Jehovah hid me, I'm under a rock Go telling my enemies, I'm under the name of Jesus sweet, name Emanuel so name Jesus sweet, name Emanuel so name Jesus sweet so sweet, name Emanuel so name Jesus sweet so sweet and I wouldn't turn back. name so sweet Jesus, I rocked the name Jesus so sweet Every mile, I shaken the name Jesus so sweet Every mile, I shaken the name Jesus so sweet's got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had gotten my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I wanted to se turn back Because I wanted to see my Jesus someday I ye got my mind made and I wouldn't turn back Because I want to see my Jesus someday I ye got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I m not going to turn back Because I want to see my Jesus someday I've got my mind made and I'm not going to turn back Because I want to see my Jesus someday I've got my mind made and I'm not going to turn back Because I want to see my Jesus someday I've got my mind made and I'm not going to turn back Because I want to see my Jesus someday I've got my mind made and I'm not going to turn back Because I want to see my Jesus some will turn back Because I want to see my Jesus some will turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because made and I won't turn back Because I want to see my Jesus someday I've got my mind made and . I'd like to see Him, look at His faces there, to sneer forever his rescue blessings On the streets of glory let me lift my voice All my care past, home in the end, ever rejoice With me has got my mind and I'll never turn back Because I want to see my Jesus someday I get my mind made and I won't turn back Because I want to see my Jesus someday later I got my mind made and will not say back Because I want to see Jesus I will one day Fire, fire, fire, fire, fire, fire fall on me Fire, fire fall on me On the day fire fell on me On the Pentecost day, the fire fell on me Fire, fire fell on me I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday upon me upon me 2010 My thoughts are made and I will never turn back Because I want to see my Jesus someday WorldGoodbye, I stay no longer with you the pleasure of Good throughout my life, I have made my mind to go God the way my whole lifeGoodbye world, I live no longer with you Goodbye Pleasure, I live no longer with you, I have made my mind to go God the way throughout my life I have made my mind to go the way my lifetime Of Born, born again thanks God, I was born again thanks I to God, I was born again thankful to God, I was born again thanks I to God, I was born again thanks I to God, I was born again thankful to God, I was born again thanks I to God, I was born again thanks I to God, I was born again thankful to God, I was born again thanks I to God, I was born again thanks I to God, I was born again thankful to God, I was born again thanks I to God, I was born again thankful to God, I was born again thanks I to God, I was born again thanks I to God, I was born again thankful to God, I was born again thanks I to God, I was born again thanks I to God, I was born again thankful to God, I was born again thanks I to God, I was born again thanks I to God, I was born again thankful to God, I was born again thanks I to God, I to God was born again , born again God, born again God, I was born again Born in water, spirits and blood thanks to God, I was born again Born of water, spirit and blood grateful to God, I was born again Born of water, spirit and blood thanks to God, I was born again Born of water, spirit and blood thanks to God, I was born again Born of water, spirit and blood thanks to God, I was born again Born of water, spirit and blood thankful to God, I was born again Born of water, spirit and blood thankful to God, I was born again Born of water, spirit and blood thanks to God, I was born again Born of water, spirit and blood thankful to God, I was born someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I wan want to see my Jesus someday I have made my mind and I will not turn back Because I want to see my Jesus someday I have made my mind and I will not turn back Because I want to see my Jesus someday I have made my mind and I will not turn back Because I want to see my Jesus someday I have made my mind and I will not turn back Because I want to see my Jesus someday I have made my mind and I will not turn back Because I want to see my Jesus someday I have made my mind and I will not turn back Because I want to see my Jesus someday I have made my mind and I will not turn back Because I want to see my Jesus someday I have made my mind and I will not turn back Because I want to see my Jesus someday I have made turn back because I want to see my Jesus someday I have made my mind and I will not turn back Because I want to see my Jesus someday I have made my mind and I will not turn back Because I want to see my Jesus someday I have made my mind and I will not turn back because I want to see my Jesus someday I have made my mind and I will not turn back Because I want to see my Jesus someday I have made my mind and I will not turn back because I want to see my Jesus someday I have made my mind and I will not turn back because I want to see my Jesus someday I have made my mind and I will not turn back because I want to see my Jesus someday I have made my mind and I will not turn back because I want to see my Jesus someday I have made my mind and I will not turn back because I want to see my Jesus someday I have made my mind and I will not turn back because I want to see my Jesus someday I have made my mind and I will not turn back because I want to see my Jesus someday I have made my mind and I will not turn back because I want to see my Jesus someday I have made my mind and I will not turn back because I want to see my Jesus someday I have made my mind and I will not turn back because I want to see my Jesus someday I have made my mind and I will not turn back because I want to see my Jesus someday I have made my mind and I will not turn back because I want to see my Jesus someday I have made my mind and I will not turn back because I want to see my Jesus someday I have made my mind and I will not turn back because I want to see my Jesus someday I have made my mind and I will not turn back because I want to see my Jesus someday I have made my mind and I will not turn back because I want to see my Jesus someday I have made my mind and I will not turn back because I want to see my Jesus someday I have made my mind and I will not turn back because I want to see my Jesus someday I have made my mind and I will not turn back because I want to see my Jesus someday I have made my mind and I will not turn back because I want to see my Jesus someday I have made my mind and I will not turn back because I want to see my Jesus someday I have made my mind and I will not turn back because I want to see my Jesus someday I have made my mind and I will not turn back have made my mind and I will not turn back Because I want to see my Jesus someday I have made up my mind and I will not turn back Because I want to see my Jesus someday I have made up my mind and I will not turn back Because I want to see my Jesus someday I have made up my mind and I will not turn back Because I want to see my Jesus someday I have made up my mind and I will not turn back Because I want to see my Jesus someday I have made up my mind and I will not turn back Because I want to see my Jesus someday I have made up my mind and I will not turn back Because I want to see my Jesus someday I have made up my mind and I will not turn back Because I want to see my Jesus someday I have made up my mind and I will not turn back Because I want to see my Jesus someday I have made up my mind and I will not turn back Because I want to see my Jesus someday I have made up my mind and I will not turn back Because I want to see my Jesus someday I have made up my mind and I will not turn back Because I want to see my Jesus someday I have made up my mind and I will not turn back Because I want to see my Jesus someday I have made up my mind and I will not turn back Because I want to see my Jesus someday I have made up my mind and I will not turn back Because I want to see my Jesus someday I have made up my mind and I will not turn back Because I want to see my Jesus someday I have made up my mind and I will not turn back Because I want to see my Jesus someday I have made up my mind and I will not turn back Because I want to see my Jesus someday I have made up my mind and I will not turn back Because I want to see my Jesus someday I have made up my mind and I will not turn back Because I want to see my Jesus someday I have made up my mind and I will not turn back Because I want to see my Jesus someday I have made up my mind and I will not turn back Because I want to see my Jesus someday I have made up my mind and I will not turn back Because I want to see my Jesus someday I have made up my my mind and I will not turn back want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never tu never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made up my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have made my mind and I will never turn back Because I want to see my Jesus someday I have my mind and I will never turn back Because I want to see my Jesus to see my Jesus someday I have fire someday, fire fell on me Fire, fire fell on me On Pentecost day, the fire fell on me I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't have turned back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I've got my mind made and I'm not going to turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn the day I've got my mind made and I mot going to turn back Because I want to see my Jesus someday I've got my mind made and I won't turn the day I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn the day I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I'm not going to turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I'm not going to turn back Because I want to see my Jesus someday I've got my mind made and I'm not going to turn back Because I want to see my Jesus someday I've got my mind made and I'm not going to turn back Because I want to see my Jesus someday I've got my mind made and I'm not going to turn back Because I want to see my Jesus someday I've got my mind made and I'm not going to turn back Because I want to see my Jesus someday I've got my mind made and I'm not going to turn back Because I want to see my Jesus someday I've got my mind made and I'm not going to turn back Because I want to see my Jesus someday I've got my mind made and I'm not going to turn back Because I want to see my Jesus someday I'we got my mind made and I'm not going to turn back Because I want to see my Jesus someday I'we got my mind made and I'm not going to turn back Because I want to see my Jesus someday I'we got my mind made and I'm not going to turn back Because I'we got my mind made won't turn back Because I want to see jesus me someday I have got my thoughts made and I won't turn back Because I want to see jesus me someday I have got my thoughts made and I won't turn back Because I want to see jesus me someday I have got my thoughts made and I won't turn back Because I want to see jesus me someday I have got my thoughts made and I won't turn back Because I want to see jesus me someday I have got my thoughts made and I won't turn back Because I want to see jesus me someday I have got my thoughts made and I won't turn back Because I want to see jesus me someday I have got my thoughts made and I won't turn back Because I want to see jesus me someday I have got my thoughts made and I won't turn back Because I want to see jesus me someday I have got my thoughts made and I won't turn back Because I want to see jesus me someday I have got my thoughts made and I won't turn back Because I want to see jesus me someday I have got my thoughts made and I won't turn back Because I want to see jesus me someday I have got my thoughts made and I won't turn back Because I want to see jesus me someday I have got my thoughts made and I won't turn back Because I want to see jesus me someday I have got my thoughts made and I won't turn back Because I want to see jesus me someday I have got my thoughts made and I won't turn back Because I want to see jesus me someday I have got my thoughts made and I won't turn back Because I want to see jesus me someday I have got my thoughts made and I won't turn back Because I want to see jesus me someday I have got my thoughts made and I won't turn back Because I want to see jesus me someday I have got my thoughts made and I won't turn back Because I want to see jesus me someday I have got my thoughts made and I won't turn back Because I want to see jesus me someday I have got my thoughts made and I won't turn back Because I want to see jesus me someday I have got my thoughts made and I won't turn back Because I want to see jesus me someday I have got my thoughts made and I have got my thoughts made and I won't turn back Because I want to see Jesus me someday I have got my thoughts made and I won't turn back Because I want to see Jesus me someday I have got my thoughts made and I won't turn back Because I want to see Jesus me someday I have got my thoughts made and I won't turn back Because I want to see Jesus me someday I have got my thoughts made and I won't turn back Because I want to see Jesus me someday I have got my thoughts made and I won't turn back Because I want to see Jesus me someday I have got my thoughts made and I won't turn back Because I want to see Jesus me someday I have got my thoughts made and I won't turn back Because I want to see Jesus me someday I have got my thoughts made and I won't turn back Because I want to see Jesus me someday I have got my thoughts made and I won't turn back Because I want to see Jesus me someday I have got my thoughts made and I won't turn back Because I want to see Because I want to see jesus me someday I have got my thoughts made and I won't turn back Because I want to see My Jesus someday I get my mind made and I won't turn back Because I want to see my Jesus someday Goodbye of the world, I live no longer with your Goodbye Pleasure staying, I stay no longer with you I have made my mind to go god the way my lifetime I have made my mind to go god the way my lifetime I have made my mind to go my lifetime I have made my mind to go god the way my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my mind to go my lifetime I have made my my lifetime I have made my my Pleasure sin, I stay no longer with you, I have made my mind to go God the way all my life, I have made my mind to go the way of God throughout my life, I have made my mind to go the way of God throughout my life, I have made my mind to go the way of God throughout my life and the way all my life. was born again Born of water, spirit and blood Thank God, I was born again I had got my mind and I wouldn't turn back Because I wanted to see my Jesus someday I got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I was under a rock, a stone higher than me (but the stone was higher) (Jehovah hide me, I'm under the name of Jesus someday I was under a mile (oh yes) (Go tell my enemies) Go tell my enemies) Go tell my enemies) and I was under a mile (oh yes) (Go tell my enemies) and I was under a mile (oh yes) (Go tell my enemies) and I was under a mile (oh yes) (Go tell my enemies) and I was under a mile (oh yes) (Go tell my enemies) and I was under a mile (oh yes) (Go tell my enemies) and I was under a mile (oh yes) (Go tell my enemies) and I was under a mile (oh yes) (Go tell my enemies) and I was under a mile (oh yes) (Go tell my enemies) and I was under a mile (oh yes) (Go tell my enemies) and I was under a mile (oh yes) (Go tell my enemies) and I was under a mile (oh yes) (Go tell my enemies) and I was under a mile (oh yes) (Go tell my enemies) and I was under a mile (oh yes) (Go tell my enemies) and I was under a mile (oh yes) (Go tell my enemies) and I was under a mile (oh yes) (Go tell my enemies) and I was under a mile (oh yes) (Go tell my enemies) and I was under a mile (oh yes) (Go tell my enemies) and I was under a mile (oh yes) (Go tell my enemies) and I was under a mile (oh yes) (Go tell my enemies) and I was under a mile (oh yes) (Go tell my enemies) and I was under a mile (oh yes) (Go tell my enemies) and I was under a mile (oh yes) (Go tell my enemies) and I was under a mile (oh yes) (Go tell my enemies) and I was under a mile (oh yes) (Go tell my enemies) and I was under a mile (oh yes) (Go tell my enemies) and I was under a mile (oh yes) (Go tell my enemies) and I was under a mile (oh yes) (Go tell my enemies) and I was under a mile (oh yes) (Go tell my enemies) and I was under a mile (oh yes) (Go tell my enemies) and I was under a mile (oh yes) (Go tell my enemies) and I was under a mile (oh yes) (Go tell my enemies) and I was under a mile (oh yes) (Go tell my enemies) (Go tell my enemies) and I was under a mile (oh yes) (Go t the rock so sweet, name Emanuel so sweet Jesus, it name is so sweet Jesus, it name is so sweet Jesus, it name is so sweet Jesus, it name jesus, name is so sweet Jesus, it name my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't have turned back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't have turned back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see my Jesus someday I have got my mind made and I won't turn back Because I want to see jesus me someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see my Jesus someday I have got my mind made and I will never turn back Because I want to see Min, Looking at His faces there, to satire forever his rescue blessings On the glory streets let me lift my voice All my care past, home in the end, ever rejoice Yes I want to see Him, looking over his face There, to instill love forever in love with His rescue grace In the glory days, home in the end, ever rejoice I got my mind made and I am me turn back Because I'd like to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday I've got my mind made and I won't turn back Because I want to see my Jesus someday Fire, fire fell on me On Pentecost day, the fire fell on me On Pentecost day, the fire fell on me Fire, fire, fire fell on me I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted to see my Jesus someday I had got my mind made and I wouldn't turn back Because I wanted
