Please tick the necessary box on the booking form and we will provide you with further information. Please don't let the cost of the weekend stop you from coming as there is more than enough help available.

Principles of Fellowship

Fellowship at the weekend is based upon the agreement of all three sections of the BASF without reservation, including the view that God hates putting away.

Travel

Help will be provided if you need collecting from either Kidderminster train station or bus station. Please let us know in advance if you require assistance.

Prayer

It is our prayer that our Heavenly Father will bless our time spent together, for "The LORD redeemeth the soul of his servants: and none of them that trust in him shall be desolate".

Activities

On Saturday afternoon there is free time with activities such as sports, games, crafts, country walk and a daily readings session. There is also a bookshop with Christadelphian Scripture Study Service books.

Venue

The venue is the Pioneer Conference Centre in Cleobury Mortimer, near Kidderminster. It is set in beautiful surroundings, is spacious and has suitable accommodation. All rooms will have en-suite facilities, with some rooms being suitable for the disabled. The rooms consist of 2,3,4 and 5 beds. All our meals will be provided for as well as refreshments.

Within each accommodation block there are lounges which are for general use, and would be ideal for mums of little children to congregate in the evenings, whilst their children are asleep in their rooms. Mums may wish to bring a baby monitor.

CHILDREN

AND

YOUNG PEOPLE

Studies

The children and young people will study all the aspects of the whole armour of God and see the importance the lessons are and how we should apply them. Their lessons will be geared to help them in their Understanding, that they may gain a Godly wisdom in these last days.

Their classes will be split into ages 0-6, 7-10, 11-16, although the number of classes may increase if a good number book on. They will each receive personalised workbooks and stationery relevant to their studies.

Free Time

There will be supervised free time during the weekend and the children and young people will be involved in supervised games and crafts, including competitions.

Previously they learned about the tabernacle and even made their own models!
