Cherry hill orchards pick your own

The Chiara Yhill Arcades story began in 1940 when our grandfather, George Aissi, planted his first cherry tree in the fertile valley of Victoria. 80 years later, Chovich Hill is still 100% owned by Australia and our family is proud to try our cherry growing tradition and passion for creating Australia's best with cherry. Our fresh cherry are in season now! Order your box today or visit your local book. Chovich Hill Review We are very encouraged to be able to welcome you back to your garden Cherry-lifted 2020! This year we're doing things a little differently (but only as delicious!). To protect our guests, we are picking up custom cherry with limited guest numbers. Allows for two hours of cherry plus half an hour entry and exit management in all time amounts. Once your allotted 2 hour cherry picking time is over, we welcome guests to visit our cabin, try our famous cherry ice cream, live music and natural surrounds while enjoying a free drink taste. As you're picking up, you can eat all the cherry that has your heart's wishes. The takeaway cherry is charged per kilogram on the dropout. There will be a sawasj food truck on site, or you are welcome to pack the picnic to enjoy on the base. Please note that there is no BYO alcohol, however alcohol and non-alcoholic drinks can be bought and used on site. Picking up the 2020 cherry is just a talkited event, and we will not be able to acknowledge anyone without tickets. When it comes to hidden gems, Cherry Hill offers a taste of the best in the local in Lancaster County. For over 44 years, through just the right amount of rain and aperture crops and good years in difficult seasons with late fruits and many insects, the family and Haas as their dedicated employees have hosted thousands of locals and visitors as well.
