Home RuneScape Help and Advice Nature Mascot for (hc) Iron (wo)man Home RuneScape Help and Advice Nature Mascot for (hc) Iron (wo)man from old-school RuneScape Wiki Talisman nature used to gain access to nature altar located north of the village of Shiloh on Karamja Island where players can work out the nature of pens. The mascot can also be combined with a tiara at the altar of nature, having both nature's mascot and tiara in your inventory, as well as using a tiara on the altar. This action gives the player 45 Runecraft experience; Many players choose to do so in order to save extra space and make faster trips while creating nature fleece as nature altar can be accessed simply by clicking on it by left-clicking on it while the player wears the nature of the tiara. A good way to get a mascot is to kill the abyss into the abyss after completing the Enter the Abyss minicvaria. Always bring teleporter in case you need a quick escape. Nature's mascot is also part of a rare table of drops, so any monster with access to a rare drop table has a chance of either dumping that mascot or chaos mascot (with a couple of exceptions being able to dump both, such as fire giants and resiperable demons). I tried the farming abyss but was able to kill only a few mobs before dying (44 cb lv). Now I'm fishing for caskets. Does anyone know the best way to get nature's mascot?
