Here's how to get Shell Leather in FFXIV. Getting Shell Leather in FFXIVUnlike most of the materials and other skin type resources you can get in the game, Shell Leather is a little harder to obtain. For starters, you can't just get it with assembled classes or by killing certain types of enemies. Instead, you can only get it through treasure hunts. Of course, you will always have the option to get them through trading with other players or buying them from market boards, but prices will likely be on the higher side as they are not easy to obtain. Therefore, it may be better to just try to get it yourself. You can get Shell Leather in FFXIV through the treasure hunt you open through the new Timeworn Zonureskin Maps introduced in Shadowbringers.Once you have the Map, you can decipher it and try hunting with the party, and you'll have the chance to get Shell Leather at the end of the run as one of the prizes. English Deutsch Francais Español Portugues Italiano 日本語 Today we meet again with the Final Fantasy XIV guide where the explanation will focus on how to get shell skins. In Final Fantasy XIV we have to update Shadowbringers, it must have brought us a new story arc, besides that we can also have important resources to gain from our class, so we have an idea on this occasion we will know how to get shell skins, for this next content will give us guidelines to follow. We certainly have to consider that although we can get a lot of resources in the game, this shell is more difficult to achieve, because we will not get it from some particular collection class or kill some enemies, we have to make a treasure hunt or trade and thus have a chance, the most relevant details come now. The trading option to get this material from other players is more complicated because we have to pay a high price, because it is difficult to get a skin shell, so another option of the treasure hunt will be the most indicated, by searching for it ourselves, by opening a new zonureskin map we will have a way to achieve it. When we have one of the maps, we have to decipher it, with the group we are going to start the hunt, where we will get this material as a gift, now we will see the possibility of getting a map of Zonureskin Tieworn below:Amh Araeng, Mount Biran Mine (mine)Amh Araeng, Ladle (logging)Kholusia, Amity (mine)Kholusia, .
