Suny downstate pharmacy jobs

Job function: Looking to take your career to new levels with healthcare leaders? SUNY Downstate University of Health Sciences is one of the leading metropolitan medical centers in the country.As the only academic medical center in Brooklyn, we provide services to the most diverse population in the world. It is also ranked highly by Castle Connolly Medical, a consumer health care ratings company, among the leading physician training schools in the United States. SUNY Downstate's pharmacy department is seeking a full-time staff associate/pharmacy staff assistant. TH Staff Associates are supervised by pharmacy directors and associate directors. Successful candidates are responsible for; - A direct area of responsibility that encompasses the full spectrum of financial transactions on pharmacy purchases, such as access to preferential contract prices. - Prepare monthly and year-end journal entries and assistance to external CPA companies during the audit, and may provide additional assistance to the department during the audit season if necessary. - Provide a theoretical understanding of general ledger activities and financial reporting. Learn specific knowledge of financial principles and how they apply to the healthcare industry within the NYS system. - Appointees are skilled in all areas of functional responsibility surrounding the purchase of pharmaceuticals. Work includes analysis and problem solving skills that require moderate independent judgment. The final approval has higher authority. - Create operational reports on the usefulness of medications in specific hospital patient care areas that may affect hospital finances. - Leadership is limited to meeting daily work assignments or executing projects. Regular contact with administrative staff and other financial-related areas; General supervision of expenditures, refunds from 340B contract pharmacies and compliance with HRSA requirements; Qualifications (duties and responsibilities are not limited to the description of the above positions); - Bachelor of Arts in Business Administration or Accounting. - 2 years pharmacy experience in retail or hospital is preferred. Additional information: Include the *5-digit line number and job title in the subject line and email body. Deadline: Open until the State University of New York meets Equal Opportunity/Affirmable Action Employers will create a job alert for similar work on SUNY Downstate Medical Center© Copyright 2020 National Association of Social Pharmacists. Some participating programs do not have residency information on this portal. To view a complete list of participating programs and their physical locations in the Resident Showcase, see the list of participating programs. To printTo get another view of these lists, you can view them in a sortable Google sheet. The sheets are updated every Monday morning. The PGY-1 Pharmacy Residency Program is tailored to each resident's specific interests and goals and provides a enriching training experience with an emphasis on education, services and research in acute care environments. We manage, research, and educate patients and healthcare professionals on medications. Core rotation includes pharmacy management/pharmaceutical safety, internal medicines, infectious diseases, and critical care. Selective rotation includes emergency medicine/toxicology, kidney transplantation, and outpatient care. PGY-2 Infectious Disease Pharmacy Residency is a 12-month program jointly offered by SUNY Downstate Medical Center and its affiliate, Turo Pharmaceutical University. This residence is designed to develop the capabilities needed to provide pharmacy care to infectious disease patients by providing patient care, education, and clinical research in the field of infectious disease pharmacotherapy. In addition to the rotation of infectious diseases, residents also complete rotations such as microbiology and infection control. Longitudinal rotation includes HIV clinics. Residents are involved in didtable education at The University of Turo Pharmacy. For more information, please include the job title and line number that appears in the subject announcement when submitting your resume by emailing a cover letter, submitting a careers@downstate.edu cover letter, and submitting your resume to apply for positions posted before September 30, 2020: SUNY Downstate is committed to fostering a diverse community of outstanding faculty, staff and students to ensure equal access to educational opportunities, employment, services, programs and activities regardless of individual race, color, nationality, religion, creed, age, disability, gender, gender identity, sexual orientation, family status, pregnancy, genetic status, domestic violence, domestic violence, or criminal convictions.
