Thomas train table top

The Y4411 LC99540 Maple Playtop Cherry Playtop 2-in-1 Grow With Me Playboard Y4411 Playboard features a pre-grooved Thomas Wooden Railroad Track Layout on one side for novice engineers, and a traditional playboard on the other side... perfect for experienced Thomas Wooden Railway engineers! Pre-grooved on the layout side leads novice engineers who cannot be skilled at putting or preserving track systems together. On the other side is the traditional playback board format ideal for creating your own layouts. Expands the use of the playboard from the beginning of the train game to more experienced engineers. It fits perfectly into the wooden play table on Sodor Island and measures 48 long x 32 wide.
