Sign in to see your list of favorite games. View all games (1 142) Page 2 This mod allows for 3D position ality in Morrowind. You will be able to hear if sound is in front, behind, above or below you throughout 360 degrees. You may be able to use this mod to activate up to 7.0 speaker support in Morrowind or up to EAX 4.0 in other compatible games. Anywhere I can download morrowind soundtrack in a high quality format? I see lots of crappy MP3s around, but would love to have it lossless if possible. Buying CDs would be great, but it's a bit expensive. On a related note, are there any orchestras that have made any recent quality recordings of the soundtrack? Page 2 5 comments
