As far as I knew the special characters were blocked by Rito however this is not. There are by chance any more of these characters or there is a way to trick League of legends into letting them. thanks <3 12-25-2016 #2 Last edited by DarknzNet; 12-25-2016 at 5:13 p.m. Member of: 08-24-2015 Premium Member of: 08-24-2016 Counter Strike: Global Offensive Minion because: 12-29-2016 Steam Minion from: 02-11-2017 Resigned: 04-20-2017 #3 Not because I tested that this is to be used in the name and I was wondering if there is still 12-25-2016 #4 @SirSpaghetti It didn't used to be a method where you can modify the guy has been playing for a long time and he created this name before the restrictions or a method that has not yet been released to the public. Does that answer your question? 12-29-2016 #5 Originally posted by SirSpaghetti Hey, I was a league game the other day on the oce servers and I noticed a player using the name eeadly .
