Authors: Written and researched by Lonely Planet, Andy Symington, Carolyn Bain, Cristian Bonetto, Anthony Ham and Anna Kaminski>About Lonely Planet: Started in 1973, Lonely Planet has become the world's leading travel guide publisher with guides to every place on the planet, as well as an award-winning website, a collection of mobile and digital travel products and a dedicated traveller community. Lonely Planet's mission is to enable curious travelers to experience the world and actually get to the heart of the places where they find themselves. TripAdvisor Travelers' Choice Awards 2012 and 2013 winner favorite travel guide categoryLonely Planet Heads simply like no other. - The New York Times is a lonely planet. It's on everyone's bookshelves; it's in the hands of each traveler. He's on mobile phones. It's online. It's everywhere, and it tells generations of people how to travel the world. - Fairfax Media (Australia) Books eBooks NOOK Tutorials Newsstand Teens & YA Kids Toys Games & Collectibles Stationery & Gifts Movies & TV Music Sale Start my own review in Sweden It was one of the two books I had in Sweden during a three-week trip. Like another reader, I found that there was a lot of information that I didn't need (food and hotels). I liked the information about the various cities I visited and information about some activities and places. It was one of the two books I had in Sweden during a three-week trip. Like another reader, I found that there was a lot of information that I didn't need (food and hotels). I liked the information about the various cities I visited and information about some activities and places. ... the more I like to read travel guides. Information and insight make for a great vicarious holiday. This book will probably make into a small bunch of books I keep here because I have an obsession with Scandinavia. I really hope that we have to go visit Sweden because it's a charming country. I love reading travel guides. Guides. information and insight to make a great vicarious holiday. This book will probably make into a small bunch of books I keep here because I have an obsession with Scandinavia. I really hope that we have to go visit Sweden because it's a charming country. more In a sense, I don't appreciate LP guides because they focus too much on hotels and restaurants (do I care about eating Vietnamese food in Malmö?). On the other hand, they briefly know the spirit of the country in principle. Personally, I didn't really care about Scandinavian geology, but I liked, for example, the concepts of sami and Sweden's relationship with its neighbours in history. All, of course, are conveyed through the lens of tourism. After touring the Club Italiano Guide, probabl in a way, I didn't appreciate LP guides because they focus too many hotels and restaurants (do I care about eating Vietnamese food in Malmö?). On the other hand, they briefly know the spirit of the country in principle. Personally, I didn't really care about Scandinavian geology, but I liked, for example, the concepts of sami and Sweden's relationship with its neighbours in history. All, of course, are conveyed through the lens of tourism. After touring the Club Italiano guide, probably the best on the market. ... more Almost too much information:). Excellent travel guide for both travelers and residents of Sweden. Lonely Planet Books are essential, I just wish they had a better link map text, and a page ref from the map key. Solid Lonely Planet stuff must get it out of the library again before going. Not much information about your special interests, but a pretty good description of the areas I would like to go. You have enough ideas on what to do during our summer holidays. It's always nice to plan that with this guide and already having a lot of fun doing it before you go. Daily toursMulti day adventureBest rated flexible cancellation6 min read • Posted on 23 September 2020 These seven European and Scandinavian resorts are doing things a little differently.7 min read • Posted on 22 Mar 2017While Malmö may be sweden's third largest city with 330 000 inhabitants, it remains diverse with an influx of migrants and refugees representing ... 5 mins to read • Posted on 29 October 2012What is hunting lodge-themed restaurants, the reckless plundering that led to the global financial crisis and these wild hipster beards all have in common... 2 mins to read • Posted on 18 August 2010 Danes are obsessed with coziness. All of them. Even the heaviest leather-clad cyclist will recommend a bar based on his hygge factor. Danish... Danish...
