Limited quantities available. Description Oral-B Smart 3000 with bluetooth electric connectivity rechargeable toothbrush The Oral-B Smart 3000 rechargeable electric toothbrush provides a clinically superior cleaning compared to a regular manual toothbrush. WHAT IS INCLUS: Whiter teeth from day 1 - Oral-B's Bluetooth technology connects your electric toothbrush to the Oral-B app for personalized brushing routines and daily monitoring of brushing shear pulses in a handle every 30 seconds to let you know when to change area of your toothbrush handle in 3 mode mode: Daily cleaning - for whitening more whitewashing - for a gentle cleaning Visible Pressure Sensor lights up to indicate when brushing too hard Accepted by the American Dental Association Oral-B is the brand of toothbrush recommended by the dentist #1 worldwide - Whiten by removing surface stains Oral-B Smart 3000 Electric toothbrush The Oral-B Smart 3000 electric toothbrush provides superior cleaning vs. a regular manual toothbrush. There are 3 modes (Daily Clean, Whitening and Sensitive), a pressure sensor that lights up if you brush too hard and a timer in a handle to help you brush the 2 minutes recommended by the dentist. Best of all, it's brought to you by Oral-B - the #1 brand used by dentists around the world. Based on regular surveys of a Representative of Dentists Worldwide for the Dentist-inspired Round Head The professional dentist inspired the design of the CrossAction toothbrush head surrounds each tooth with 16-degree slanted hair and removes up to 300% more plaque along the gum line. And the dynamic cleaning action adapts to your teeth as it wobbles, turns and pulsates to break remove more plaque than a regular manual toothbrush. Vs a regular Oral-B Smart 3000 Modes manual toothbrush Features Daily Clean: Complete Daily Cleaning Whitening: Polished Teeth to Remove Sensitive Surface Spots: Lower Speed to Gently Clean Sensitive Teeth Visible Pressure Sensor: Lights up and stops pulsations if you brush too hard Oral-B Smart3000 Visible Pressure Sensor The pressure sensor visible on the Smart 3000 lights up to alert you when you brush too hard Oral-B Smart 3000 Visible pressure sensor on the Smart 3000 lights up for you alert when you brush too hard Oral-B Smart 3000 Visible pressure sensor on the Smart 3000 lights up to alert you when you brush too hard Oral-B Smart 3000 Visible Pressure Sensor on the Smart 3000 lights up to alert you when you brush too Much The application of too much pressure can result in harmful brushing, making the visible pressure sensor an ideal feature for better brushing. Oral-B Smart 3000 Pro Timer A useful launch buzzes every 30 seconds to let you know when it's time to focus on brushing the next quadrant from your mouth. The electric toothbrush also alerts you when you have brushed for the time recommended by the dentist of 2 minutes. Guarantee Information What is covered by my Oral-B guarantee? Your Oral-B warranty starts on the day of purchase and lasts 2 years. If your Oral-B product is defective during the warranty period, we will replace it for free. The warranty does not cover cosmetic damage such as scratches, or damage caused by: Normal Wear Accident, Misuse, Dirt or Water The product tampered with improper use Repairs performed by agents not authorized by Oral-B/Braun Failure to take care of the product, including recharging The product being modified or used for commercial purposes - The Service Center will send you a similar technical replacement, or if this is not possible a device of a higher specification. The service center may not be able to provide a toothbrush of the same color. How do I team up with my Oral-B electric toothbrush? If you have a problem with your Oral-B toothbrush, check out our online repair service! There, you'll find troubleshooting that can help solve the problem. Just service.braun.com, select your region, country and language, then click the Online Control button. If you are unable to fix the problem and need to send your toothbrush for service, you can use the online service to print a prepaid mailing label and get a tracking number. The tracking number will allow you to track your application. Please note that you must have a receipt that includes the date of purchase to obtain a prepaid mailing label and that your brush must be within its warranty period. If you are unable to use the online repair service, please see the instructions below. For the warranty service, follow these simple steps: Visit www.service.braun.com to find details of your nearest BraunOral-B Authorized Service Center. Send the product directly to the Service Center, including: All system components (e.g., toothbrush handle, charger, power cord, SmartGuide). You don't need to include accessory accessories brush heads or filling support. A copy of your dated proof of purchase (always keep a copy for yourself). A letter with the following information: your name, your return postal address, your contact phone number, your email address and a brief explanation of the problem you are having with the product. If you include your email address, the BraunOral-B service center will send you updates when the product is received and the product is returned, as well as a tracking number. All products sent for service must be properly packaged and sent in a suitable box to withstand normal cargo handling. It is recommended that your package be insured and shipped appropriately with the help of a carrier that can provide follow-up. We will cover all repair costs and return the shipment to you. For non-guaranteed service: You can always send your device to a BraunOral-B licensed service centre for service at your own expense. If the product warranty has expired, a quote will be sent to you for approval and payment, before any service. Before shipping your device, we recommend that you call the authorized service centre to discuss your service needs.
