## Soccer championship games today

Julien Laurens loves the start of the season from Real Sociedad and Villarreal but doesn't see it was lasting. Gab Marcotti and Julien Laurens suggest a UCL exit could help RB Leipzig's Bundesliga title hopes. Gab Marcotti and Julien Laurens say a change of formation has Atletico Madrid flying ahead of facing Bayern. This year's UEFA Champions League schedule, which was discontinued in March when the COVID-19 pandemic shut down live sports, resumes this week with a whole new look and format now that the tournament has reached the quarter-final stage. Not only is the Champions League schedule for quarter-final and semi-final rounds condensed into a straight knockout tournament featuring single-leg matches, but Champions League matches are being shown on another TV channel, so they were in the spring - provided the match you want to watch is even on TV. MORE: Watch selected Champions League matches on fuboTV (7-day trial) CBS took over Champions League broadcasts in the US a year ahead of schedule after Turner Sports backed out of its deal to show the rest of the 2019-20 season. The network shows most Champions League action this month, including the four quarter-final matches from Wednesday to Saturday, exclusively on its online streaming service CBS All Access. Only one more game on the Champions League schedule, the final on August 23rd, will be broadcast on live TV via CBS Sports Network. Below is the complete Champions League TV schedule as the tournament to crown a 2019-20 European champion continues, plus how to watch all Champions League matches in the United States. Champions League TV schedule The coronavirus shut down live sport on March 11 with four rounds of 16 matches left on schedule. Those four matches were played last weekend to complete the quarter-final leg of the Champions League bracket. Barcelona, Bayern, Manchester City and Lyon advanced. UEFA determined the remaining Round of 16 matches could play out at their originally scheduled venues before the tournament heads to Lisbon, Portugal, the neutral site for all quarter-final and semi-final matches as well as Final. All Champions League matches are scheduled to start at 3p.m. Below is the complete Champions League schedule from the quarterfinals through the final at the end of the month Wednesday, Aug. 12 Match Time TV channel Live stream Atalanta vs. Paris 3 p.m. ET N/A CBS All Access Thursday., Aug. 13 Match Time TV channel Live stream vs. Leipzig, Atlético 3 p.m. ET N/A CBS All Access Friday, Aug. 14 Match Time channel Live stream Barcelona vs. Bayern 3 p.m. ET N/A CBS All Access Saturday, Aug 15, 15 Match Time TV channel Live stream Man. City / Lyon 3 p.m. ET N/A CBS All Access Sunday, Aug. 23, 23 Match Time TV channel Live stream TBD vs. TBD 3 p.m. ET CBS Sports Network CBS All Access/fuboTV How to watch Champions League matches in US CBS should take over the exclusive English-language rights to Champions League matches in 2021, but it did so ahead of schedule after Turner Sports prematurely ended in June. So CBS is now home to the Champions League match in the United States, but it won't show any of the remaining matches on its over-air cable network. All Champions League matches are available live on CBS All Access, the network's online streaming service. A select few, including the Champions League final, will be shown on television via CBS Sports Network. MORE: Watch THE CBS Sports Network on fuboTV CBS All Access starting at \$5.99 a month, but it offers one-month free trial promotion for new subscribers through mid-August. It is free and you can unsubscribe at any time. Below are the devices that CBS All Access can be streamed on: The Android iPhone iPad Apple TV Google Chromecast Amazon Fire TV LG PlayStation 4 Xbox One Roku Samsung Visio Xfinity For champions league final on TV, CBS Sports Network has a channel finder feature for users across the country. CBS Sports Network is available on most cable provider systems. It is also available from satellite providers DirecTV (channel 221) and Dish Network (channel 158). As for live TV streaming services, CBS Sports Network is available on fuboTV, YouTube TV and Hulu. All three come with free trials for new subscribers.
