Principles of macroeconomics 7th edition study guide

The world's #1 eBook reader for students. VitalSource is the leading provider of online textbooks and course materials. More than 15 million users have used our Bookshelf platform in the last year to improve their learning experience and results. With anytime, anytime access and built-in tools like bookmarks, flashcards, and study groups, it's easy to see why so many students are turning digital with the Bookcase. N. Gregory Mankiw Harvard University N. Gregory Mankiw is Robert M. Beren Professor of Economics at Harvard University. For 14 years he taught EC10 Principles, the most popular course at Harvard. He studied economics at Princeton University and MIT. Prof. Mankiw is a prolific writer and a regular participant in academic and political debates. His research includes papers on price adjustment, consumer behavior, financial markets, monetary and fiscal policy, and economic growth. His published articles appeared in academic journals such as the American Economic Review, Journal of Political Economy and Quarterly Journal of Economics. His work has also appeared in more accessible forums, including The New York Times, The Washington Post, The Wall Street Journal and Fortune. Prof. Mankiw has been a research associate at the National Bureau of Economic Research, an adviser to the Federal Reserve Bank of Boston and the Congressional Budget Office, and a member of the ETS test development committee for the advanced economics placement exam. From 2003 to 2005, he served as president of the Council of Economic Advisors of the Presidency. N. Gregory Mankiw Harvard University N. Gregory Mankiw is Robert M.
