Eso tomb rubbing reward

Find all 30 ancestral tombs in Vvardenfell, make a rub of the information they contain, and deliver these frictions to librarian Bradyn to discover the location of the lost Library of Andule. Note: The purchase of the Morrowind chapter is required to complete this achievement. Talk to the librarian in the Library of Vivec (located below wayshrine) to begin your quest to visit all the ancestral tombs and learn the location of an old library. Below you will find a map that takes you to the general locations but does not remove all the exploration fun trying to find each of the elements in each structure. Rewards: Andule's Curiass of Defiler (Purple) Vvardenfell Scale Model 332g Hunt starts in the library in Vivec's City, talking to librarian Bradyn. The hunt is called the tombs of the ancestors. The librarian will give you the location of the first tomb. He will tell you to go get rubs of the tombstones. There are a total of 30 headstones in Morrowind. When you gave all the 30 frictions to the librarian, he will give you a new quest and send you to the Lost Library of Andule. You get the title Librarian, when you complete the second task, you also get vardenfell Scale Model for your house! Background[edit | edit source] Ancestral tombs occupy a prominent place in the culture and society of the large houses in the dark elven. The old, established families, especially those with the most wealth and influence, built graves to inter and honor their dead. These tombs, scattered throughout Vvardenfell, provide a sanctuary for the physical remains of the deceased, as well as a place of contemplation, reverence, and meditation for the descendants of their mutually ennobled ancestors. -Librarian Bradyn [src] Target [edit | edit source] Walkthrough [edit | edit source] Seran Ancestral Tomb[edit | edit source] [?] Ginth Ancestral Tomb[edit | edit source] [?] Rethandus Ancestral Tomb[edit | edit source] [?] Salothran Ancestral Tomb[edit | edit source] [?] Telvayn Ancestral Tomb[edit | edit source] [?] Uveran Ancestral Tomb[edit | edit source] [?] Norvayn Ancestral Tomb[edit | edit source] [?] Tharys Ancestral Tomb[edit | edit source] [?] Heran Ancestral Tomb[edit | edit source] [?] Lieran Ancestral Tomb[edit | edit source] [?] Thelas Ancestral Tomb[edit | edit source] [?] Sarano Ancestral Tomb[edit | edit source] [?] Othrelas Ancestral Tomb[edit | edit source] [?] Aran Ancestral Tomb[edit | edit source] [?] Velas Ancestral Tomb[edit | edit source] [?] Hlaalu Ancestral Tomb[edit | edit source] [?] Maren Ancestral Tomb[edit | edit source] [?] Arenim Ancestral Tomb[edit | edit source] [?] Seran Ancestral Tomb[edit | edit source] [?] Andalas Ancestral Tomb[edit | edit source] [?] Verehlim Ancestral Tomb[edit | edit source] [?] Leneth Ancestral Tomb[edit | edit source] [?] Sadriyon Ancestral Tomb[edit | edit source] [?] Venim Ancestral Tomb[edit | edit source] [?] Nerano Ancestral Tomb[edit | edit source] [?] Favel Ancestral Tomb[edit | edit source] [?] Reward [edit | edit source] *Disclosure: Some of the links above are affiliate links, which means, at no extra cost to you, Fandom will earn a commission if you click through and make a purchase. Librarian Bradyn seeks the location of the lost Library of Andule, the secret repository of knowledge of the old great houses, by building a miniature reproduction of Vvardenfell. Detailed Review[edit] The Library of Vivec, operated by librarian Bradyn, can be visited from the lower level of Temple Canon in Vivec City. The northern entrance is under the shrine of generosity, and the south can be found under the Vivec Temple Wayshrine. Inside, talk to the librarian. He will ask for your help filling out a model of Vvardenfell, by collecting rubs from each of the thirty ancestral tombs of Vvardenfell. These frictions will contain traces to an ancient treasure trove of writings on the great houses, called the Library of Andule. He wants you to start with Othrelas' Ancestral Tomb, located just outside the city. Head north from the main Vivec City wayshrine, and take a right at the T-junction. The tomb is just a few pages south of the far end of the short wooden bridge. You may be able to see it from the city, depending on your settings. Take the rub and head back to the library. Give rub to librarian Bradyn, who will then reveal that using magic given to him by Vivec, he can not only record the fingering to the location of the Library of Andule, but also fill in a piece of the unfinished model of Vvardenfell. Tell him you're ready, and after a short break, the new piece will appear on the map showing the area around Vivec City. Librarian Bradyn will give you a reward, and the hunt will officially end. But keep an eye out for more ancestral digs in your travels around Vvardenfell so you can take more rubs and turn them in. Notes [edit] There are actually many more than thirty ancient graves on Vvardenfell. The ones you're looking for are intact, with a stone marker and no available interior. You can see a list of locations on the associated results page. The tomb rubs (both for this quest and for fulfillment) are not considered quest items, and will therefore take up inventory space. Quest Stages [edit] The Ancestral Tombs Finishes Quest Journal Entry To start the process of solving the mystery of the lost library, I need to take a rub at Othrelas' Ancestral Tomb, north of Vivec City. Purpose: Take rubbing on Othrelas' Ancestral Tomb. Now I'm going to go back to the library in Vivec City and give rub to librarian Bradyn. Purpose: Give rub to librarian Bradyn I gave Librarian Bradyn rub. I'm going to talk to him and ask him what happens next. Purpose: Talk to librarian Bradyn Finishes quest The librarian utilized a kind of magic to add a new section to miniature map of Vvardenfell. I should talk to him and find out how I can help him complete the model and find the missing Andule library. Purpose: Talk to librarian Bradyn Bradyn
