World geography textbook mcgraw-hill

Clicking the Textbook Login above to access the Online TextbookStudents Username and Password must be in the Reference section of their World Geography binders as well as in their Agenda Books. Students will only use a traditional hard copy textbook in the classroom. At home or outside the classroom, students should use the online access above. The online textbook all has the same exact wording as the book with added videos, interactive pictures, and clickable links. Other features include: read-only; integrated note-taking; and additional resources For anyone interested in purchasing a textbook for home the information is: Bohem, Richard G. Discovering World Geography. McGraw Hill; 2014ISBN 978-0-07-893619-7 It is not generally recommended as it is expensive and the online version is much better. The Atlas we use in class is the Rand McNally Classroom Atlas 13th EditionISBN: 0-528-01514-1 There are maps of every continent on the online textbook for students to use at home. Select the Unit # Continent, near the top of the page under the toolbar, a Continent Maps tab will be to selectClick on the photo of the charts to open a zoom-able view.
