Little India Restaurant & Bar Denver, Colorado I like this, excellent food & service. Looking forward to returning with my friends. Bring your hunger - portions are filled. Food looks like a place in San Francisco I loved. This place rocks! Their curry Chef Manpreet Singh can create, of this world curry dishes. IncredTried today for the first time and scooped up some to-go Chicken Korma from Little India on 6th andBig Food! Has been my go-to under quarantine.... Little India is our go-to Indian place. Everything I've gotten from them has been good. Delivery takes a while because it is so popular so be sure to order about an hour before you actually want to eat. And even better, we almost always have left overs so we can make lunch the next day too! 425 South Teller St, Lakewood, CO 80226 303-937-9777 littleindiabelmarcolorado.com When I moved here, I had heard that it was hard to find really good Indian food. Yet my husband and I tried Little India. We had a weekend buffet, and were pleasantly surprised. The naan was delivered warmly to our table, steaming and soft on ... inside with a little crispness on the outside --excellent. The buffet had salad, three desserts, two meat dishes, vegetable dishes together with channa (chickpea) and dal. Overall the spice level was on the lower side for Indian food but the taste was very good. Along with the friendly service and the inside décor, we had a lovely weekend lunch. We will definitely return again. More
