The contest was developed by Yamail Yemonia, a soul guide author of The Seven Types of Spirit Guide (published by Hay House), and host of The Spirit Guide Show. Pictured: Shutterstock Spirit guides are non-physical existences that are said to represent different aspects of a person as well as their spirit. Some guides are meant to come and go through different phases of your life while others stay with you forever. It is said that many of them are chosen for you before birth and are connected to them when they are connected, it is said that life has more meaning and makes it much more enjoyable. There are main spirit guides; A protective guide that works is to keep us out of harm's way; The goalkeeper's guide that you share connects with the spiritual realm; A message carrier guide that helps us better communicate with others as well as interpret information better. There is also a healing guide that improves your spiritual and physical health, the teacher's guide, which enhances your understanding as well as learning from past experience, and finally the happiness guide, which focuses on finding true happiness.
