FlagView History this page will be a one-stop source for fantasy ultimate 15 mini-fishing games. This includes a whole list of fish found in the game, where they can be caught, what they drop, and the best type of rods and deceptions to catch them. For a list of places to find fish, look at the fishing places page. First, how to fish and the biggest tips to start: top fishing gear for in-game fishing (rod, ring, line, and deception): Pink Jade Gar is the hardest fish to catch in the ultimate fantasy XV. The video shows professional tips on how to get jade gar pink. Arapiama Regal is also one of the hardest fish to catch in the ultimate XV fantasy. With Pink Jade Gart tied in adversity. These fish you need defensively most of the time, and the fish is located at the hidden fishing spot in Vesperpool - the northern banks catching the Murk Group at Galdean Pier give you the prize with the best fishing rod in the game (relaxation) the largest (big, not long) fish in the FF XV Fear Group. It's bigger than herring and pink jade gar (both thin and long, rather than large). You can catch the fearful group at Galdin Pier after you caught the Murk Group. The best lure of the Bhamuth is the great Blaze, which you can never lose, as it always comes even if your line snaps. A fishing festival takes place in Alticia during the Muge! Chukuku Carnival event. Catch label fish to earn unique rewards. There are advantages to fishing, such as collecting materials or materials for sale. Fishing also has several components to go to, so you're only able to go accidentally fishing without some knowledge. I'm here to give you that knowledge so that you can curl up in the big chairs and level your skills if you need to know how to start fishing at first, finish my guide on how to fish. This guide will go over in-depth information about fishing in the ultimate XV fantasy including: fishing equipment - what you can do with fish and what they all do. Fishing shops - places of fishing shops and what they sell. Fishing skills - what every fishing skill does and when you get them. Fishing Tips - Additional tips to help catch fish that will give you trouble. There are 4 items you use and upgrades for fishing: line - determine the durability of your fishing pole. This HP is your pole. When it reaches 0, you will lose the line, deceive, and fish that bit is not getting. Deception - It determines what fish will bite. Each deception lists the fish it absorbs, but can also attract unsequided fish. Rod - This determines your pole defense. The defense affects how fast your durability goes down when looping in a fish. Ring - This attack determines your pole. The attack affects how fast you can ring in a fish. You start with all of this, but you can upgrade them by going to fishing shops. Fishing ShopsGaldin Pier - Bob Prey EmporiumThe is the first shop you will find near Galdin's pier. You can buy extra line and cheat here. Paul Churchia - Tabby's Tackle ShackThis shop is north of Old Lestallum. It sells more lines and deceptions as well as new bars and loops. The propeller edge rod with 150 defenses. Galata rings with 240 attacks. Vesper Pool East Bank - Brett Bobbers' n' StuffThis shop sells the best line, Dragon Beard, as well as some great lures and the best buyable rings and bars. The spin det rod with a defense is 210. do not ring with 270 attacks . CarYou can also buy lines and lure from your car as you progress through the game. Level 1 fishing skills - allows you to catch fish. Level 2 - makes the durability drop 25% less when fighting fish on the line. Level 3 - 10% discount on all items in front of shops. Level 4 - increases the chances of fish hooks by up to 25 percent. Level 5 - allows you to catch bigger fish. Level 6 - 30% On all items in front of the shops. Level 7 7 A 50% less durability drop when fighting fish at line level 8 - increases the chances of fish hooks by 50%. Level 9 - 50% discount on all items in tackle shops. Level 10 - allows you to catch even bigger fish. Fishing tips when the fish is struggling, tap the ring button you don't want to keep the ring on, but you can tap it once at a time to loop it in a bit without losing durability. If the fish is hard to curl in and break your line, upgrade your equipment sometimes just get better loops, bars, and the line is all you need to get hard to catch fish. Buy multiple lures and lines you need to constantly change the lines when fish are durable down, be sure to buy twice as much at a time. Different fish like different cheats, so buy as many different ones as you can. Try out different deceptions if you are cast in an area with fish and no bites, switch cheats up. When you use the right deception, you will get the red line at the top of your screen to alert you that a fish is absorbed. Loop in quickly when your controller stops rumbling if the yo controller is not crumbling, or it is very light, which is the time to hold the loop button down. This allows you to curl it up sometime before fighting the fish again. That's it for my guide on fishing in the ultimate fantasy XV. Now you can catch big fish and get rewarded!
