This description says it helps hack a complex terminal, but I can hack all the terminals in the alpha bunker without this skill.@0They say it's for the basement, idk0Basements? There's a computer in the basement. Hacker skills can be used to open basements. A higher chance of getting this type of basement is at the Oak location. 0Nope, I think you guys are confused. We need thief skills to open the basement, I have just found a basement in the red stone area and it requires the skills of thieves level 3.0Is a basement that has a machine / computer Complex as a key. This dungeon requires hacker skills to unlock. There is also a dungeon that has chains and keys that require the skills of thieves. Oof Comment Sharing Skills are changed in beta skills v.1.11.5 Unlocked Active is retained. (Animal Friends, Look Around, Self Healing, Sprint, Roll) Rare unlocked passive skills are retained. (Pocket Extras, Hackers, Traders) Removed: (Motorcycle Driver, Cold Survival, ATV Driver) Added new to unlock: (Builder, Quick Step, Burglar 3 levels) Note: For more information on New Skill Notes: The information below is about before Beta v.1.11.5 The mechanism of exploring the location has been completely changed. You have told us many times how tired you are cleaning the location and that the whole process has become routine. True, we often read your feedback, at breakfast, dinner, before bed, and community managers do it non-stop. Intrepid adventurers who try to plunder everything they can and explore every corner of the post-apocalyptic world – your efforts will be rewarded! Now you not only hunt loot and fights, but also earn points for exploring the area. These points are necessary to improve your character's skills. With each new level reached, you will be given points to spend on improving active and passive skills, and in the future - on new recipes and blueprints. ~ Dev Blog Post, 26/4/18 [edited] We also want to draw your attention to two new skills: Motorcycle Driver and Cold Survival. Those who have collected Chopper have learned skills, while for the rest who want to ride a bike and walk around the winter site, it will take some close work to recruit It's hardly as hard as getting a gas tank, so don't panic beforehand. ~ Dev Blog Post, 26/4/18 [edited] Skills acquired by collecting Exploration Experience (XXP) in six categories by zone: pine, mountain (i.e., rock), oak, northern forest (snow), bunker, and base.
