Genie pro screw drive model cm8600ic/a

Published 05/15/2017 09:44 AM | Updated April 10, 2020 2:09 p.m. Skip to main content Displayed 1-4 of the 4 responses this information comes from amazon site. This suggests it will work with all the genie openers produced after 1997. If you want to know for sure, contact Genie. If your model is after 1997, you can buy this one (such as buying a new one) and if it doesn't work, you can send it back for a refund. If after 1997, I'm guessing it will ... more information comes from the Amazon site. This suggests it will work with all the genie openers produced after 1997. If you want to know for sure, contact Genie. If your model is after 1997, you can buy this one (such as buying a new one) and if it doesn't work, you can send it back for a refund. If after 1997, I'm guessing it will work. It's actually worked with my Powerbilt opener and isn't even a genie. The Genie G3T-R Intellicode2 three-button RemoteGenie Garage Door Opener 3-button compact-size remote control has a compact design and comfortable clip visor. It is equipped with rolling-code technology to increase security. The remote control comes with a battery. - Compatible with Genie garage door openers manufactured since 1997 - Uses dual frequencies of 315 MHz and 390 MHz; minor operating interference - Controls up to 3 genie doors - Elegant design with dos; can be connected to a key chain to see less of this information coming from the Amazon site.
