Facebook LinkedIn Print More Elvis Presley Aaron Presley (January 8, 1935 – August 16, 1977) was an American singer and actor. Considered one of the most significant cultural icons of the 20th century, he is often referred to as the king of rock 'n' roll or simply the king. Presley was born in Tupalo, Mississippi, and moved to Memphis, Tennessee, with his family when he was 13. His musical career began there in 1954, recording at Sun Records with producer Sam Phillips, who wanted to bring the sound of African-American music to a wider audience. Presley, on a rhythmic acoustic guitar and accompanied by lead guitarist Scotty Moore and bassist Bill Black, pioneered rockabilly, a mix of country music and rhythm and blues. In 1955, drummer DJ Fontana joined to complete the lineup of presley's classic guartet and RCA Victor acquired his contract in a deal organized by Colonel Tom Parker, who will run it for more than two decades. Presley's first RCA single, Heartbreak Hotel, was released in January 1956 and became the number one hit in the United States. With a series of successful network TV appearances and chart records, he became the leading figure of rock 'n' roll's new popular sound. His vigorous interpretations of songs and a sexually provocative performance style, combined with a particularly strong combination of influences across color lines during a transformative period in race relations, made him very popular - and controversial. In November 1956, Presley made his film debut in Love Me Tender. Presley, who was recruited for military service in 1958, relaun followed his recording career two years later with some of his most commercially successful work. However, he held several concerts and, under Parker's guidance, continued to devote much of the 60s to Hollywood filmmaking and soundtrack albums, most of them critically ridiculed. In 1968, after a seven-year break from live performances, he returned to the stage in the acclaimed televised comeback special Elvis, leading to an extended performance in Las Vegas and a string of highly lucrative tours. In 1973, Presley gave the first concert by a solo artist to be broadcast around the world, aloe from Hawaii. Years of prescription drug use severely damaged his health, and he died suddenly in 1977 at his Graceland estate at the age of 42. Presley is the best-selling solo music artist of all time. He Commercial success in many genres, including pop, country, blues, and gospel. He won three Grammy Awards, received the Grammy Lifetime Achievement Award at age 36, and entered many music halls of fame. He holds records for the RIAA's happiest gold and platinum albums. In 2018, Presley was posthumously awarded the Presidential Medal of Freedom. HAZARD, Ky. (WYMT) - For the past three months, The Air Raid Trampoline Park has looked a little different. When the governor said we should close it was very concerning. Trampoline Park is a business that made the best of the colder months all the way to the end of school, so it hit us at the worst time it could have hit us, said owner Michael Taylor. On Wednesday, the air raid opened its doors again to the public. We always knew we would only reopen the uncertainty of not knowing when we would reopen and what space had reopened, but we are very happy to reopen, added Taylor. We've made a lot of changes when it comes to protecting people. We have acquired two fogging systems which for further cleaning which brings out fog that kills viruses including COVID-19 on contact, said Taylor. Customers and employees alike couldn't be more excited about the reopening. They're really happy that we're open again, they're really happy to get the kids out of the house and let them do some exercise, he added. The air raid will begin offering birthday parties again on July 1. Copyright 2020 WYMT. All rights reserved are reserved.
