Stephanie peterson florida teacher facebook

Stephanie Peterson is a married Florida high school teacher who found herself in serious trouble after being arrested for an alleged sexual relationship with a 14-year-old student. The 26-year-old eighth grade science teacher is also accused of sending the boy nude photos and providing him with marijuana and paraphanelia (bowls) to smoke illegal substances. She resigned from her job at New Smyrna Beach High School on Monday, February 26, citing personal reasons. On Wednesday, February 28, 2018, Peterson was arrested and charged with two counts of lewd or lascivious battery and one of transmitting harmful materials to a minor. According to the Daytona Beach News-Journal, a court affidavit stated that the accused would pick up a male student after her husband left for work. Peterson would come to the boy's home late at night (11 P.M.) and then drop him back at home at 1 or 2 A.M. According to authorities, Peterson and the boy's relationship is believed to have taken a look around in November 2017. On February 27, the victim first told police about his alleged sexual relationship with Peterson. He reportedly informed his parents of the relationship with the teacher because he claimed the relationship made his grades suffer. He also told his parents that Peterson told him not to inform anyone about their relationship. It's not known if she was the boy's teacher. Here's a press release about Peterson's arrest for the Volusia County Sheriff's Office Facebook: The relationship is believed to have begun in November. A detective responded to the victim's family home on Tuesday after a student revealed a relationship with his parents. The student, an eighth-year student, told detectives Peterson would send him nude photos. He said she started going to his house at night, picked him up around 11 p.m. on several occasions and brought him back around 1 or 2 a.m. The victim reported that Peterson told him he couldn't tell anyone about his relationship or they'd get in trouble. He also said she bought him marijuana and smoking bowls, and his grades suffered after their relationship began. When news of Peterson's arrest surfaced in the media, her and her husband's social media profiles were deleted from the Internet. Her husband is 31-year-old Brandon Ferri. He's a fishing enthusiast who works as an EMT with the Deland Fire Department. Divorce papers were filed between Peterson and Ferri on February 12. Peterson is being held on \$25,000 bond.
