5mod.ru Transformers: Earth Wars Copyright © 2020 - 5mod.ru - Copying material from the site tells the story of the strictly fore-banned Transformers: Earth Wars - a long struggle between two races - the Autobots and the Decepticons. A Decepticon led by Megatron arrives on earth. They aim to consume all natural resources deep into the earth to create energon, an energy component. To protect humanity, we sent an autobot to the head of Optimus Prime. It is now up to the player to decide which of the robot's factions will win. You may feel like the savior of the earth, choose the Autobot, and choose all the powerful villains, cheats. After selecting a faction, there is a global map where you need to train, build multiple infrastructures, kill the first enemy, and attack your base. After that, the most interesting thing begins - the action is sent to the battlefield. Here you have to apply all your tactical savvy ingenuity to beat the enemy. They let you dive your head into the fables of the struggles of both races and keep their heads away from the gameplay. Transformers: Earth Wars is a great strategy to appeal to fans of comics, animated series and movies about Transformers.
