Archeage darkrunner build 2019

11-16-2019 05:48 PM #1 I'm trying to find a modern post about what skills specs are in for the best darkrunner. I know you can build it in a variety of ways (full crete/balanced/and so on). Just learning this class and see which way it might be best to pve still deter PVP attacks. If you know the post already on the forums, please let me know searched through a lot, but no one shows what spec skills or armor to use. Thank you for any help you can provide. 11-22-2019 06:45 PM #2 11-24-2019 08:51 AM #3 originally published by Siren I'm trying to find a modern post on what skills specs are in for the best darkrunner. I know you can build it in a variety of ways (full crete/balanced/and so on). Just learning this class and see which way it might be best to pve still deter PVP attacks. If you know the post already on the forums, please let me know searched through a lot, but no one shows what spec skills or armor to use. Thank you for any help you can provide. ignore the braindead post above me obv it's hard to find information about this game cus it was dead or in recent years, but use these links for broadcasts: and rotation wise just YouTube darkrunner guide I'm sure that there are a lot out there that explains how to play class and gives you a breakdown of skillpoints/birth skills, both for wep/armor-type meta indicates that 2h/skin is probably your best choice ★ ★ ★ - ArcheAge Double Dark Wield Runner Guide to Vlare This guide is based on my own experiences and opinions, nothing is the law if you don't agree with something I say or do. ★ ★ ★ and archeage 2.0 builds and archage skill calculator, simulator and builder with guides where you can find builds, tips, strategies to win the game ...
