My price range of £220 - £1,000? Thank you anyone have read it and what your comment is to help w/ any symptoms. Thanks for better understanding of why progress is so slow and what to do to overcome obstacles. A growing number of Americans have become increasingly dissatisfied with the traditional medical industry. Big Pharmaceutical has created thousands of pharmaceutical solutions that come with both high and frequent price tags, which are dangerous and unpleasant side effects for consumers to contend with, but alternative medicines offer a way to avoid harm from both Big Pharmaceuticals and the traditional American medical infrastructure. Alternative remedies have been studied for thousands of years, and many out-of-style drug practices come with less cost and side effects than the endless pill bottles prescribed at the nearest doctor's office. The Secret of Underground Medicine is a book that teaches consumers the key to eliminating cancer or preventing it from starting with a discovery made decades ago. The health and medical industries are constantly evolving as scientists learn more about the body and how it works. There are shocking discoveries that are found all the time about new methods of treating important diseases and are only against these advances that the human population has survived for as long as there is. However, the creators behind The Secrets of Underground Medicine claim to have found a number of advances and discoveries that consumers may not even know. The creator of this guide, Dr. Richard Gerhauser, states that there are life-saving miracles that may be the most important discovery ever made for the medical industry. Given that this information comes from WWII documents, Dr. Gerhauser said German scientists and doctors believe the cause of many cancers has been found along with related treatments. To make this finding even greater, Dr. Gerhauser revealed that this solution does not involve chemotherapy, radiation or surgery. He said the story of this discovery began with Adolf Hitler's overpowering passion after he discovered a polyp on his vocal cords. It is alleged that Hitler pushed and pushed for a cure for cancer, leading him to see Dr. Otto Warburg. Dr. Warburg, discovered both the cause of the cancer and how it stopped by identifying it. Cellular fuel, often used by healthy cells, needs to be cut off from cancer cells. He plans to disclose all this information in the secrets of underground medicine. Warburg also revealed; in each cell in our body, a small power plant called mitochondria is responsible for cells. This is the process of converting food and oxygen into energy to propel the cells of our body. Warburg revealed and determined that cancer cells occur due to abnormal mitochondria and these cancer cells fuel. Mitochondria using glucose rather than oxygen Mitochondria disorders lead to the spread of uninhibited cells (tumor growth). Typically, fuel changes are triggered. Mitochondria on oxygen to glucose are environmental or genetic.
