She has helped millions of people around the world, including me. I love this book and I love the gorgeous and incomparable Louise Hay! - Dr. Wayne W. Dyer, author of the bestselling Excuses Begone and The Power of Intentions You Can HEAL YOUR LIFE I wrote this book to share what I know with you, my readers. It includes parts of my little book, Healing Your Body, which has become widely accepted as authoritative work on mental patterns that create dis-lightness in the body. If you do exercises in you can heal your life gradually as they appear, by the time you are done, you will begin to change your life. I suggest you read the book once and then slowly read it again, but this time do each exercise in depth. If you can, work through exercises with a friend or family member. Know that when you work with these ideas, my loving support is with you. Louise L. Hay Publisher : Hay House, Inc. Hay Book Summary of Abbey Bitan (Disclaimer: It's Not an Original Book. Louise L. Hay is a great proponent of the idea that almost anything can be healed through our minds. In You Can Heal Your Life she talks about how all this can be achieved and how she managed to use that knowledge to cure herself after being diagnosed with cancer. (Note: This summary is fully written and published by Abbey Of Bitan. Loving ourselves works wonders in our lives - Louise L. Hay Brain is the most powerful organ in our body, it controls and does everything. What we think about ourselves and our surroundings becomes the truth for us. We are responsible for everything that happens in our lives, and if we can gain the courage to learn all about the power of the brain for self-healing, we are capable of great things. Your mind has more power that you could imagine, use it to your advantage to accomplish feats you never thought possible. P.S. You Can Heal Your Life is an extraordinary book that will teach you all about your mind's ability to self-healing. P.P.S. It was Albert Einstein who famously said that once you stop learning, you start dying. It was Bill Gates who said he would like to be able to read faster if he can only have one superpower in this world. The excerpt from You Can Heal Your Life is really very simple. What we give out, we get back what we think of ourselves becomes true for us. I believe that everyone, myself included, is responsible for everything in our lives, the best and the worst. Every thought we think creates our future. Each of us creates our experiences with his thoughts and feelings. The thoughts we think and the words we say create our experience. Publisher : Hay House, Inc. Now, in Mirror Work, it shows how in just 21 days, you can master this simple but powerful practice as a constant support for positive change and self-service. I taught people how to do mirror work while I teach affirmations.. The most powerful statements are the ones you speak out loud when you are in front of a mirror looking deep into your eyes. The mirror reflects back to you the feelings you have about yourself. It makes you immediately about where you resist and where you are open and flowing. This clearly shows what thoughts you will need to change if you want to have a joyful, fulfilling life. - Louise Hay Publisher: Hay House, Inc.
