The New York Times' «Di Tanto in Tanto Nel Piccolo Mondo delle Editor Poetica Acadono Fatty Inauditi is coming l'arrivo di un bestseller. Il Venerdì - La Repubblica Autore Lupi Rupi Kaur Genelé Narativa General Dettari Libro - Seen in the art echoes of the cult NATO con Sovracoperta Consilia ad un Amico Lupi Kaur and in the work of people who have written for many years. (Samira Solani, media diversification) Lupi Kaur's honest words continuously want more, as she writes with eloquence and poison. Her work will send you to thoughts and realities of the past that you may not have known you had. (Sienna Brown, Wild Spice Magazine) Milk and Honey provides tormented readers with an enlightened state of self-reflection that may have taken years to achieve on their own. (Elite Daily) Discussing themes of love, loss and healing, Milk and Honey finds a way to connect with all readers. (Business Insider) Lupi Kaur's first book, Milk and Honey, is the poetry collection every woman needs for her nightstand or coffee table. Accompanied by her own sketches, the beautiful and honest poem reads like the everyday collective experience of today's modern women. (Erin Spencer, Huffington Post) A must-see collection of poems on healing and hope (Bassle) Lupi's poems are simple, relevant, gorgeous and rooted in the everyday experiences of young women. (Rachel Greite, Hello Laughs) Lupi Kaur has a vision beyond her years. Her work is simply powerfully expressed and viscerally captures both the universal human experience and certain struggles of today's young women. (Huffington Post) At the age of 24, Lupi Kaur is called the voice of her generation. (USA Today) Milk and Honey is a collection of poems and prose about survival. About experiences of violence, abuse, love, loss and femininity. This book is divided into four chapters, each of which serves a different purpose. Treat different pains. Another heartache. Milk and honey take the reader through the journey of the most bitter moments of their lives and find sweetness in them as there is sweetness everywhere if you are willing to watch. Milk and Honey is a collection of poems and prose about survival. About experiences of violence, abuse, love, loss and femininity. This book is divided into four chapters, each of which serves a different purpose. Treat different pains. Heal another heartache. Milk and honey take the reader through the journey of the most bitter moments of their lives and find sweetness in them as there is sweetness everywhere if you are willing to watch. Lupi Kaur is a poet. Artist. and performers. As Lupi, a 21-year-old college student, wrote. Show. And her first collection of poems, Milk and Honey, was self-published. Then came that artistic brother's sun and her flowers. These collections have sold more than 8 million parts and have been translated into more than 40 languages. Homebody is her third collection of poems. Lupi's work touches love. Loss. Trauma. Healing. Femininity. and migrate. She feels most at home when creating art or performing her poems on stage. Nuovo a Partilet da Usato da Famemo Kindle Ti Pregiamo di Ribrovale - Copertina Falecibile, 2 Marzo 2017 11,40h' 4.5 stars. Wow, I really didn't know what to expect when I picked up Lupicalu's exquisite collection of poems and prose. Poetry is often hit or missed with me – I fully appreciate it as an art form, but sometimes I don't get it. (I'm as creative as the next person, but sometimes my brain is tired and I just want to convey the meaning of something, rather than struggling to decipher it.) Sorry, I'm a Neanderthal. Milk and Honey is about happiness and despair, hurt, joy, love and sadness, and finding strength to overcome your struggles. It is sometimes erotic, poignant, empowering, terrifying, and celebrates all of the amazing qualities of a woman. Divided into four chapters: hurt, affection, breakdown and healing, each deals with different steps in a relationship with someone else. You loved them deeply how you touched the people around you and some of the poems you gave them are accompanied by small illustrations. I imagine that the edition of this book will make a beautiful gift for someone. I'm not sure if each separate page is a separate poem, or if the book is strangely laid out, I'm not 100 percent sure, so I read it on my Kindle and missed something. (I'm not too sure if only some poems have a title, or if each poem has a title at the end, i.e. a stanza between titled pages represents a single poem.) Kaur is an absolutely dazzling writer. Her words spark emotion, sexuality, femininity, anger and hope. Perhaps some of this resonates more for women than men, but I still find this incredibly inspiring, incredibly moving, incredibly motivated and sometimes simply breathtaking. We need to put aside the traditional notions of punctuation, capital letters, and how sentences are divided. But more than that, you need to be vulnerable, listen to Kaur's message and feel the feeling she is trying to convey. If you can do it, you will be richly rewarded by the beauty of milk and honey. Milk and Honey, Infatti, Nera Su'a Edizione Origin, Ha Venduto Mezzo Milione di Copy Ed et Stato Inserito Nera Classica del New York Times Rottis, Canaze di Origin Indiana, E Famosa Anshu Parl Imagini Provocate Four Fur Ripliilet Su Sakti Regate Al Feminismo, Prima Tora Tutte La Photo Bandita da Instagram in Cui Mostrava Una Macchia di Sang Mestorère Sui Pantaloniun Attenzione, Kera Deloitteris Par Il Feminismo Che Influenza Tutta La Sua Opera,with the collection can be read as a small manual for young feminists. The author's gaze actually addresses a number of issues affecting women, especially millennials. In addition to managing love and relationships, the work also pays attention to women belonging to ethnic minorities (such as the author himself) to convey the relationship between the family and their own history. Many spaces are dedicated to the relationship between two men and women, in moments of union and harmony and, above all, moments of conflict. Because if that is not yet understood, Lupi Kaur is not afraid to sing to anyone, even his violent father. After reading Lupicalu's book Milk and Honey, we invite us to leave the following review: it will be useful for users who have not yet read this book and want to have the opinions of others. Opinions on books are very subjective and reading negative reviews doesn't have to slow us down to buy, on the contrary, we need to buy us quickly so that we can say ourselves and perhaps refute what others have commented on.
