We support all Android devices such as Samsung, Google, Huawei, Sony, Vivo, Motorola.Selecting the correct version will make the SIM app work better, faster, consume less battery life. You can experience versions for other devices running on your device. Download the SIM app directly without using a Google Account, no registration required, no login required. Our system stores the old SIM APK, the VIP trial version, you can see it here\* new text-to-speech features \* Optimized contact options\*. New french support, install SIM-Blocker &amp; Call-Blocker APK for Android, it happens many times that we get calls from unknown numbers. These types of situations are not only annoying, but they also waste time and interfere with quiet moments in our lives. To be honest, do you hate unsolicited calls and calls like us? That's why we created a powerful SIM blocker dialer app that can stop these unwanted calls. SIM-Blocker replaces your phone's standard caller app to receive and analyze all data about incoming calls (such as SIM channels, contacts) as soon as the SIM-Blocker controls the surface of all incoming and outgoing calls. SIM Blocker - Dialer ensures that you do not By spam callers, unwanted callers or unknown numbers, and always receive information about incoming calls. Just add the number to the blacklist and the app does the rest. Sim Blocker is a security app that allows many functions: ☎ Dual SIM Call Blocker SIM Blocker - Dialer is one of the best dialing apps in the Play Store. This app is the only dual SIM dialing app for Android devices. This control function is compatible with almost all smartphones that start with Android 7.0.🔒 Task Scheduler, one of the best features of SIM-Blocker – Dialer is task planning. You can schedule a blacklist so that calls are blocked only at certain times, or you can unblock tasks repeatedly for weekdays. For example, call blocking is enabled from 09:00 to 14:00 every Monday and Wednesday. The app automatically schedules tasks and you don't have to worry anymore. 📧 SMS and notifications with this dialer, you can enable SMS and automatic notifications. If a call is blocked, you can set it to automatically send SMS and receive notifications for all blocked calls. Sim Blocker - Dialer is beautifully designed and easy to use, free version of SIM Blocker - Dialer comes with ads🔒🔒🔒 Whitelist is provided to make sure that some people don't get it. blocked🔒🔒 blacklist to block numbers🔒🔒 Get notifications when calls are blocked🔒🔒 Enable SMS Automatic Response on Blocked Calls🔒🔒 Do Not Disturb mode is provided🔒🔒 quick and easy to install🔒🔒 clean and easy to use. Scheduler🔒🔒 Reactivate🔒🔒 all items of blocked calls🔒🔒 the most powerful call blockers. Apps in play store🔒🔒 dual SIM call blocker.
