Citizens and law enforcement officers are possible to request that a warrant be issued to a Magistrate Court Judge. Warrant Unit in Sheriff's Field Operations Division Implements active and outstanding warrants, once they have been issued. Active warrants are those that have been issued but do not yet execute, while the outstanding warrants are active warrants that have not been executed after a certain period of time. The work of the warrant unit has led to more than 5,000 arrests every year. The unit has also assigned mPs to work on the U.S. Al-Qandal Regional Task Force, which helps in investigating the most serious crime arrest in Henry County. If you want to check on the status of an active or outstanding warrant, call the Sheriff's Department warrant unit at 770-288-7103. You can also contact the Magistrate's Court during business hours at 770-288-7700 to issue an arrest bail. The sheriff's department also provides online arrest records and prisoner information. You can only put in the name of the individual whether he is currently in prison or not. This database in the database. Additionally, the Henry County Police Department has created an interactive crime map online, with information about crimes and sex offenders within Stockjude to provide people in Henry County, the city where the police department is focused, and other parts of Henry County. It is accessible from but keep in mind that the Microsoft application will need to be downloaded to view the system. Between the year 2008 and 2010, henry county, Georgia, has approximately 18,000 crimes. They included offences of assault, rape, murder, theft, theft, and vehicle theft. The largest number of crimes were engaged in 2008, with a total of 6,000. In 2009 that number dropped significantly, just over 5,700 crimes. However, the number of crimes rose again in 2010, although the increase was marginal. It reached only under 6,000 crimes. If this increase continues, it will not be an encouraging sign for Henry County in the coming years. Come.
