Thank you for visiting! Gallifrey One is the world's largest and longest annual Doctor Who fandom conference, a tradition in Doctor Who North America fandom since 1990, which usually takes place every February during the President's Day weekend at the Marriott Los Angeles Airport Hotel. As announced on September 12, 2020, due to the ongoing WORLDWIDE COVID-19 epidemic, we have postponed the 2021 to 2022 epidemic. Our next conference, Gallifrey One: Thirty-two to midnight, will therefore land in early 2022 (the date will be announced by Los Angeles to host the 2022 Super Bowl). Continue to see this site for more announcements! Tickets for our 2022 conference are currently on sale! What can you expect from Gallifrey One? A great weekend of fun... from guest speakers from all the worlds of Doctor Who and its spinoffs, to great shows like Q&A. As, interviews, live episode commentary, discussion boards, seminars and the annual Bob May Memorial Charity Auction. We had hoped, in line with the government's original plan to re-introduce the conference in the House from October, to be in a position to host our annual event at our new home in Wyboston this November. We discussed this in detail with the site, who fully supported the provision of more space and safer measures, but no fixed date for indoor testing is now realistic, and the ship Utopia a giant almoid ship to steer into the port , the best option open to us is to rescheduled for next summer. This year has been a difficult year for Fantom, as it has been for many of you. We fought against uncertainty with the facts, and the bankruptcy of our book distributor, both of which took a huge toll on what is a small, independent company. While we've had many months where we've not been able to see you all in person, we've been able to bring conventions to your home, for free, with hours of virtual doctor who interviews and special features through our Time Space Visualiser. We are very proud of this, and our team work on it, and hopefully it helped keep spirits high through some dark days. While it may be a few months before we can play room 101 with Camille Coduri, wrap Wendy Padbury in bubble wrap for evening entertainment, or guess which training Katy Manning is on, we're now back at our social home distance in where we hope to be able to give some of you a wave from under our sun sheets! Thank you all for your continued support. Happy time and place! Dexter, Paul & my team have tickets for Utopia. What happens next? Your ticket (and hotel reservations will be automatically transferred to next year). If you wish to receive a refund this is possible, however there will be a processing fee and deadline. You have until October 15, 2020 to apply for a refund; since the PayPal is non-refundable and there is a cost of transferring money back to you, there is a necessity and a fee that Fantom does not benefit from. Please email us, with the subject 'Uimaginable Refunds' and include your receipt number in the body of the email. It may take us a few days to respond. Les événements sur l'univers Whovien sont nombreux. Nous avons beaucoup de chances sur ce point. Les convention où se réunissent les fans et les célébrités de la série sont nombreuses. Mais il y a aussi les réunions de fans dans un bar ou des piques-niques. C'est sûr, il y a bon nombres d'événements qui ont lieu... Nous sommes fier d'appartenir à une communauté aussi grande et internationale que celle des Whoviens et pour les admirateurs de conventions ou de réunions de fans, il n'y a rien de mieux que ce genre de petites retrouvailles. Pour ce qui se trouve des réunions de fans, nous pouvons bien-sûr mentionner le dernier bar avant la fin du monde et les conférences de Gallifrance et les piques niques sur herbe organisés par d'autres held indépendantes. Page écrite par: Maxim Rixhon Mise en page par: Maxim Rixhon Hello again, I promised you an update on the 2020 convention. So many things have changed in our world and continue to change daily. As we move through 2020, it's clear that holding a face-to-face conference is too difficult to be feasible in the near future. Many other events large and small are delayed or canceled. I believe it is the smartest act to play it safe and delay our November 2020 event. Don't worry, we'll still hold another conference! I posted this information so you can save the date. Our new day for the Long Island Doctor Conference is followed by the weekend of November 20-21, 2021. Again it will be a smaller, closer and personal event like the one we held in 2019. Now it's called L.I. Who Presented: Time-Flight 2021. Please continue to follow us on social media to stay up to date and learn about the online events we are organizing or participating in. I look forward to seeing you in person soon! Hosted primarily by passionate associations, the conferences give fans the opportunity to participate in questionnthes and answers with actors, take photos with them, get autographs or spend a special moment with them in a Meet-Greet. The series/cinema conference is also an opportunity to participate in many activities combining events: quizzes, lotteries, karaoke,... while performing new encounters. They also allow fans to discuss a common hobby and return home in a spirit filled with memorable memories. To participate in a conference, it is mandatory to purchase a card from the box office of the organization in charge of the event. It is important to remember that without a card, you will not be able to access the convention. If you buy extras without this precious sesame, you will not be able to make them and you will lose unnecessary money. It's not necessary.
