Home → Blog → Characters → Nap. Questions are about different species and types of details, so you can exclude or modify it depending on the group. Questions are divided into broad categories. And similar questions and grouped into groups in their category. For bre brethrums, I cut out most of the further questions of the type of explanation, such as Why, how it happened, and so on. You can include the question why after each item in the questionnaire to generate more details from your players. Introductory questions Provide a description of two or three words. (Describe the concept.) Do you have any nicknames, street names, titles, nom de plume? What is your name? Where do you live? Why do you live there? What is your citizenship status? What is your most obvious blessing or strength? What do you see as your greatest strength? What is your most obvious flaw or weakness? What do you see as your greatest weakness? Was there any event or cause of these weaknesses? Physical characteristics How old are you? What is your gender? What is your species/ breed? How tall are you? How much do you weigh? What is your overall body type, frame, bone structure, and poise? What is your skin color? What is your hair color? What is your hair style? Do you have any facial hair? What is your eye color? Is that changing? How attractive are you? What is your most distinctive feature? Do you have any scars, tattoos or birthmarks? If so, how did you buy them? What do these recognition characters look like? Do they have any particular meaning? Where are they located? What is your hand (left/right)? Do you resemble a person you know today? What is your hand size/description? Do you wear a uniform? What kind of clothing do you wear? What is the style or level of sophistication of your clothing? What size do you have for different pieces of clothing? Do you wear makeup? Do you wear glasses/contacts? What kind of vocal tone do you have? Are you sick? Maybe you'll catch the flu twice a year and that's it? Or maybe you have a weak immune system and catch everything that happens around? History Where is your homeland? How are people? Are you aware of his history? Are you a patriot or a social outcast? What is your opinion of the house? Where is your hometown? What's your city's name? What was the area and how did it affect you? Have you witnessed any historical events? If so, how did this event affect you? Is your real reason for becoming an adventurer different from what you say to others? If so, how can such secrets be disclosed? How far would you go to prevent such secrets from going? What would you do if the truth became known? What do you fear if the truth becomes known? Do you have any high or low skill scores? If so, were these results the result of the past? How have these results affected your life so far? Have you influenced you in your chosen profession? What about your race growing up, you were mostly or minority? How did other nearby races treat you? Have you been persecuted for your race? Did it have any effect on your perspective? Has this affected your personality? What do you think of other races? Do you have any justification from your past experience for having such views? Have there been any traumatic experiences in the early years (death of a family member, abandonment, orphaned at a young age, etc.)? Briefly describe the defining moment in childhood and how it affected your life. What was your childhood like for you? Was it peaceful and peaceful or turbulent and traumatic? Did you have childhood friends? If so, who and where are they now? Are you still close to them or have you grown? What stupid things did you do when you were younger? Which childhood toys do you store? Why? What do they mean to you? If you don't keep any, why not? What have you done for them all? Do you have any deep, dark secrets in the past that can come back to haunt you? What conflicts can arise from your past? Are you who you are paying for? Do you have any criminal records? How do you perceive the heroes/legends of your country? Who were your parents? Have you been brought up by them? If not, why did they and who raised you? What is your father's name? What is your mother's name? What did your parents and/or foster parents do? What was their position in the community? Has your family stayed in one place or moved a lot? How did you get along with your parents? How would your parents describe you? Answer this with the voice of your mother and then in your father. Do you have any siblings? If so, how many and what were their names? What was your birth position in the family (i.e. born, and child, rd, etc.)? How did you get along with each sibling? What was your family life like? List all current knowledge about the location of your family, spouses, children, dates of birth, learning, and any important incidents that only you and they can remember. Is any or all of your family still alive? If so, where are they now? Are you in contact with them or alienated? Pull out your family tree, including living and deceased relatives. Do you love or hate one family member in particular? Are any family members unique to you in any way (perhaps as a trustee, mentor, or arch-nerd)? Are there any black (or white) sheep in the family (including this one) ? If so, who are they and how did they gain a position? If this person is not you, how do you feel about them? Do you have a famous or famous ancestor? If so, what did that person do to become a celebrity or What do people assume about you when your origin is revealed? Are you trying to live by the reputation of your ancestor, try to live down, or ignore? Have you started your own family? If not, do you ever want to have your own family one day? If so, with whom or what type of person? What type of person would be your perfect buddy? What would you be willing to do to protect such a person? Is there anything you wouldn't do to protect such a person, and if so, what? Will something change your mind about it, and if so, what? Relationships Do you have close friends? If so, who and what do they like? What is the history of their relationship with you? Do you currently have the best friend you want to protect with your reputation or life? If so, who are they and what made you feel so close to them? What would have to happen to end this relationship? Do you have any bitter enemies? If so, who are they, who are they, and what is the history of their rivalry with you? Have you beaten them before? How can these enemies seek you in the future? What are your valuable or important contacts? Where did you get to know them? Which person or group are you most loyal to? Name any previous serious relationships you've had and provide a quick overview of your relationship. How do you think others generally perceive you? If someone crossed your path, what would you do? Who is your most trusted ally? Who do you trust? Who do you despise and why? Name the seven things you hate in others. Is your image consistent? Do people see you in a similar way? Do you consciously present differently in different situations and how? What would you die for? Who will you go to extremes for? Who do you turn to when you're in trouble? What is the worst thing someone has done to you? What is your overall reaction to an attractive member of the opposite sex who informs you that they are available? How do I get along with others in the same field and/or work environment? How can you be blackmailed, beaten and deceived (by computers or NPCs)? Have you lost any love? How did you deal with the situation (short & long term)? Who would miss you if you went missing? Who can protect you? Who can be persuaded to sell you? How close are you to your friends? What do they know about you? What do they not know about you? What do you know about them and what you don't know? Do you live with anyone (roommates, roommates, relatives, friends, close strangers, family friend, spouse, boyfriend, girlfriend, lover)? Are you a member of any special interest groups? What is your level of engagement? What is your current status with local law enforcement? Do you have a record of cooperation or non-cooperation with the authorities? Do you have a file with local, national or international law enforcement agencies? Personality / Beliefs No or maybe you have some role models? .liYou have any heroes or idols, either contemporary or from a legend? If so, have you ever met them? Have you ever been disappointed with former heroes or idols? If so, why and what were the circumstances? When did you decide to become an adventurer? Why did you decide to risk your life as a career? What do you expect you to come out of being an adventurer (satisfaction, glory, money, redemption, etc.)? What, if anything, would stop them adventurous (death of a loved one, marriage, mutilation, money, position, old age, etc.)? Do you have any dreams or ambitions? If not, why? How does adventure fit this dream, or at all? What are your short-term goals (what do you want to do during the year)? What are your long-term goals (what would you like to do in twenty years)? If these goals seem contradictory to each other or to dreams, how to reconcile differences? How are you trying to fulfill these dreams, goals, & ambitions? Do you have any great rational or irrational fears or phobias? If so, what are their causes or reasons? What, if anything, would it take you to be able to overcome this problem? How do you react when this fear manifests itself? Are you willing to discuss or even admit the situation? What are your attitudes with regard to material wealth? Are you miserably involving wealth, or do you spend it freely? Are you greedy or generous? Do you see wealth as a sign of success, or just as a means to a goal? How do you treat others in general? Do you trust easily (perhaps too easily) or not? Are you introverted (shy and withdrawn) or extrovert (outgoing)? Are you a humble soul or blusteringly proud? Do you behave differently than you feel (hiding your true thoughts)? What habits can you find the most annoying in your friends? Is there any race, religion, alignment, religion, class, profession, political point of view, or something that you are strongly forewarned about and why? How do others usually react to you? Why do you think they work that way? What are your most annoying habits? What is your favorite food? What is your favorite drink? What is your favorite treat (desert)? Do you prefer a specific kitchen? Do you taste the flavors while eating or wolf down the food? Do you like mild or heavily seasoned food? Are there any specific foods that you find disgusting or refuse to eat? Are you allergic to any food? What are your favorite colors? Is there a color you don't like? Do you have a favorite (or assuaded) song, type of music or instrument? What's your favorite bard song? If you have a favorite fragrance, what is it? What is your favorite type of animal? Why yours of this creature? Do you have animal totem or affinity, and if so, for what? Is there a kind of animal you hate or hate? Are you allergic to any Animals? Do you have any allergies? Is there anything that embarrasses you? How do you respond to teasing about it? Do you like beading or do you prefer your children? Do you believe in the gods or not? Do you have a patron of Jako? Are you pious or ungodly? Do you actively worship and proselytic, or just pay lip? What length would you go to defend your faith? Was your faith influenced or formed by someone special? Do you belong to the Orthodox Church or its element (and is the group accepted, neglected or considered heretics)? How did this affect your faith and life? Is your church an accepted religion in which you grew up, or did you have to conduct your services in secret? How did this affect your faith and life? Have you ever been persecuted for your faith? If so, when and how did you deal with it? Can you kill? When did you decide (or learned) that they could? What happened and how did you deal with it? When do you think you can kill (under what circumstances)? When do you think killing (under what circumstances) is inappropriate? What would you do if someone else tried (or effectively) killed you in your bad circumstances, what would be your reaction? What if it was your enemy? What if he was innocent? What if the enemy did not control their own actions (e.g. under duress, enchanted, dominated, possessed, etc.)? What would you do if someone shot you (attacked) you? What would you do if something was stolen from you? What would you do if you were publicly offended? What would you do if a good friend or relative was killed by means other than natural death? What is one task you absolutely refuse? What do you think is the worst crime anyone can commit and why? What do you think of the (governing) government at all? Why do you feel that way? Do you support the current government of your homeland? If so, how far are you willing to go to defend the government? If not, are you actively opposed to this? Are you a member of an anti-government organisation? If so, describe the group and its goals. What form of government is best (democracy, monarchy, anarchy, aristocratic rule, oligarchy, matriarchy) and why? Have you ever been persecuted for your political stance? If so, describe the event and how did it affect you? Are you a member of any non-religious group, cause, order, or organization? If so, describe it, its goals and membership. How loyal are you to this group and why? How did you become a member? If you are a former member, have you left voluntarily or involuntarily and why? Is it in good (amiable) terms or bad? Are you wanted or prosecuted by your organization? If so, by whom and with what intention (to murder you, force to force or coercion to spy on you and make sure you don't reveal any group secrets)? Do you have any unusual habits or dominant personality traits that are visible to others? If so, describe them and how you purchased them, and also when they may be more noticeable and what causes them? How do you react if you make fun of any of these things? Do you have any unusual or nervous manners such as speaking, thinking, fear, stress or embarrassment? If so, are there any reasons why they are behind them from the past? Do you have an unusual gait or accent? If so, where did you get them from? Are there any circumstances in which they become more (or less) obvious? How do you feel and react if you make fun of any of these things? What's your favorite color? What place would you most like to visit? What annoys you the most? What (if any) are your favorite art forms? What is your most valuable possession? What could he not live without? Do you have the allure of happiness? If your life were to end within 24 hours, what would you do in those remaining hours? Do you have a black and white look at reality, or do you see shades of gray? Do you prefer to demolish or build? Are you intentional or spontaneous? Do you prefer a city or country? If you decide, would you rather be deaf or blind? Why? What do you think of magic, myth, and the supernatural? Remember your dreams? Describe the typical dream you may have. Describe your worst nightmares. Career / Training Where and how did you train? Who trained you in your class or work? What was your relationship with the teacher(s)/mentor(s)? How did this teacher or mentor do? Was your mentor kind, raw, cruel, indifferent? Does this person or institution still exist? Have you been forced to practise by your parents or peers? Did circumstances dictate your choice of profession? Have you been a student of the award, or just barely passed? Look at your skills. How did you buy them (especially the unusual ones)? Have you ever done anything different for your life? How do you function in combat (maneuvers, weaknesses)? What is the best way to be defeated? Have you ever received any awards or accolades? What have you done that has been recognized as outstanding in your profession by others in your field? What are your long-term goals at work? Describe any traumatic experiences in your current profession that have somehow affected you. How do your relatives and friends perceive your current profession? Is there anything you currently don't know how to do that you want you to be? Do you envy others who can do such things in a good-natured way, or are they gloomy and morose about it? Lifestyle / Hobbies What is your normal daily routine? How do you feel and react when this routine is interrupted for some reason? What are yours when they are not or training? What would you do if you had insomnia and had to find something to do to have fun? What do you do for relaxation? What do they do for pleasure? What interests do you have? How to dress normally when not on an adventure run? Do you like to dress up or down to relax? Do you have a look or feel? If so, describe it. What do you usually wear in bed at home? What do you usually wear in bed during adventures? Do you wear any identifiable jewelry? Where do you usually place weapons, magic items, or other valuables while you sleep? What morning or evening routines do you usually have? Do these changes when it's adventurous? What entertainment (in which you regularly participate) gives you the greatest pleasure? What entertainment (in which you regularly participate) gives you the least pleasure? Do you read a newspaper? If so, which sections and how often? What is his Travel routine: How to move locally? What is your idea for good evening entertainment? Do you have seasick, airsick, sick movement (auto or animal)? Do you like to ride animals? Any travel concerns? What general things or equipment do you take while traveling? What are your hangout places? Going to the bar after work? Do you play billiards? Are you going to dance? Who goes with you? What are you reading? Scientific textbooks, historical novels, myths and legends, maps, cookbooks, romances, news magazines, science fiction, fantasy, horror, newspaper, stories? What music do you like? Do you have a favorite artist, band or bard? Will you listen to or sing the same songs over and over again, or does it drive you crazy when people do it? How do you practice? Go to the gym, walk in the morning, marathons, play sports, couch potato? Where do you live? Do you rent or own? Apartment, house or castle? How close are the neighbors? Is this a good neighborhood? What color does the house have? On which floor are you located? Do you have a lawn? What about a flower garden? Does your house have an attic or basement? What do your furniture look like? Buying antiques? What walls are covered? Wallpaper, art, photos? What curtains do you have? Ruffle lace, Venetian blinds, stretched shades? Do you keep your house clean? Is it dusty? Is the bathtub moldy or rust-covered? Do you clean it yourself? What does your desk or workspace look like? Small and cramped, huge and expansive, covered with drifts of books and papers? neatly ordered and clean? Can you find what you're looking for when you need it? What color do your sheets have? Satin or cotton? Patterned with flowers, or covered with pictures of ecology robots? What types of food do you eat? Do you cook your own dinners? Are you a good cook, a gourmet or a terrible cook? Do you eat outside? Are you on a diet? Where do you spend your holidays and how often? Do you have any animals? Do you keep address book? Where do you store it? Have you left the villa? What does that mean? Different, what would you like to remember after your death? What threat do you present to the public? If your traits were to be destroyed beyond recognition, is there another way to identify your body? How much does a pint of drinking honey cost? As a player, if you can, what advice would you give? Speak as if he was sitting here in front of you. Use the right tone so they can listen to your advice... Tips...
