How to cancel avast cleanup premium subscription

How to cancel Avast Cleaning Premium Free Experience manually? The Premium Plan of Avast Cleaning offers various advanced hardware optimization tools to users. The Avast cleaning plan also provides a free experience where you can use all premium tools and services for a month at no charge. Try all the features to make sure you need to clean Up Avast or not. In case you don't want to install the plan, then you need to cancel it. Cancel the plan and then ask for a refund. Talking about antivirus and not mentioning Avast is impossible. Whenever anyone talks about top antivirus software; The best thing about Avast antivirus software is that this program provides antivirus software with different excellent features in free. If you only use your computer for basic work then free use will be enough. But as you know, the computer is a very powerful device; If you want access to other features then you can go for premium Avast plans. PayPal To purchase Avast antivirus software from the Internet; Avast offers 60 trial days. This antivirus also provides a fast renewal service which means whenever your antivirus is about to exit the service; This auto-renew feature helps keep your device protected at all times. But sometimes this feature can be annoying. For example, you don't want to use Avast Antivirus in your device, but still, your money is deducted from your account. With Avast unsubscribe, you can block the automatic renewal service. If you're wondering how to cancel Avast 60 day trial then we're here for help. How to unsubscribe Avast? If you are using Avast continuously, the automatic renewal feature is good for you as you don't need to renew your subscription manually. Once you use the Avast service, you will be out of no worries. But this thing can be a big problem for others if they have a fast off service but still pay to subscribe. If you are one of them and worry about how to cancel Avast automatic renewal service then you are in the right place. Here are the steps to get the Avast Auto Renewal Restoration program. How can I cancel my Avast subscription via the Avast account? The best easy way to cancel Avast and refund the amount is by using your Avast account. Follow the steps given: Go to your Avast account click sign in to your Avast account and make sure you are using the same email Go to licenses click on your licenses click your licenses in this column Go to automatic renewal license click click unsubscribe to automatic renewal you will get a confirmation message about automatic cancellation of the service. How to deactivate Avast via Portal? If you have purchased Avast Antivirus from Digital River, you can easily cancel Avast. Follow the steps: Visit the digital river gate and provide your dial and password number and password you can easily find your email number and password by the time you purchased the antivirus software. Now go to the subscription management click Auto Renew Switch to Stop Press Confirmation button you'll get a confirmation message that the automatic renewal service has been canceled. By chance, if you have Avast get automatic renewal and the money is deducted from your account then you can easily claim a refund for Avast. You will get your amount but you will claim within 30 days. How to unsubscribe Avast Cleanup Premium? If you want to cancel the Avast Cleanup premium plan then you can cancel directly from the Avast dashboard or you can also use the Avast account. But once you unsubscribe then you can't use your Avast features. If you have days left on your Avast antivirus setting, you must use it before you unsubscribe From Avast. If you're unsubscribed because you don't want your Avast antivirus software to be automatically renewed, you can disable auto-renew mode. Once the mode is disabled, your antivirus software will not automatically renew your plan and make payment from your credit card. If you disable Automatic Renewal Avast mode then you can use all your Avast tools until your plan gets finished. Open your computer and click on the Avast icon. The Avast control panel will appear on the screen. Click the Subscribe button and then click Automatic Renewal Mode. Your page is forwarded to the Avast website. Click on the sign-in button and enter your Username and Avast password. Click the login button. Now go to my account and click on subscribe and you will get automatic renewal mode. Switch the button next to it to stop. You may get pop-up confirmation on the screen. Press the confirmation button. Now check whether automatic renewal of your Avast gets disabled or not. You can also get a confirmation email on your registered email address. Once your Avast automatic renewal plan is disabled, your plan will not be automatically renewed. How to unsubscribe Avast Cleanup? If you want to proceed to premium Avast Cleanup unsubscribe then you have to visit the Avast website. Open your computer and look for Avast antivirus software. Now click on the official anti-virus website Avast. Now go to my profile page. Now click on the license option and go to your license page. Press the Avast Cancel button. Once you unsubscribe, you cannot use the Avast plan after the license expires. If your Avast plan gets an automatic renewal but you don't want to use this Avast plan any more, you can request a refund from the Avast support team. However, the application must be submitted within 30 days of automatic renewal. Hey you Ask for a refund if you have used the Avast antivirus plan for more than 30 days. To recover Avast, you must contact Avast Support. You must fill out a form regarding your product details such as renewal date, Avast setting, order number, etc. You will be asked for a real reason to recover. After submitting all the details, the Avast support team may take some time to confirm the details. Once you're done, you'll get the refund. You can also request a refund via telephone support. If you unset your Avast setting because you want to upgrade your plan, you can purchase a new plan directly, then you will automatically remove the old setting from your device and you can easily use the new Avast plan. How to cancel Avast Clean Up 60 Day Trial? If you want to get a refund for your plan then you must cancel the plan before the free trial expires. Once the free trial from Avast has expired, you can unsubscribe but you will not be able to get your money back. Follow the steps mentioned to cancel the Avast trial: Click on Avast code Avast dashboard will be displayed click on my subscription will be directed to the Avast page on the subscription window, click on the Avast Cleaning Trial click on the unsubscribe button now follow the instructions that appear on the screen to unsubscribe.
