Malgovdi's Book of Days is a collection of incredibly interesting stories of Malgodi days - Rk Narayan's Book of Days wrote his book of mycor and Chennai's experiences. During his visit, he stayed here in many places and saw ordinary personalities between modernity and traditionalism and put it in his book through his extraordinary narrative craft. Malgovdi is an imaginative village a few hours away from school in south India, which R.K. Narayana created in his imagination. The city is located on the banks of the Sarii River near the Mempi Forest. R.K. Narayana himself was unaware of the reality of the place. The book has 40-year-old stories of a variety of powerful and magical paintings. Their gated man made a series on Malgovdi Days, which the audience has not forgotten to date. Let me tell you that in 1986, the first 'malgody days' were telecases in Doordarshan. The first episode was 'Swami & Friends' and its title track also attracts people. Even after years, Malgovdi Dez's stories are as vibrant and popular as ever. With this merit, they are in the hearts of readers. I made it somewhere. The main thing about ERK Narian's books was that his stories were energetic. When they read their stories, they are dragged into their books. At the same time, they are unable to appreciate their books. In the days of Malgadi R.K. Narian and the stories of other characters were very common. At the same time, from morning to night, what a common man does and what little things gives him joy. How does it find happiness even in grief? The style of each Narayaan story is sentimental and ridiculous. It is obvious from every story that great compositions molded themselves into characters before writing each story and wrote their ideas in their book. R.K. Narayana had also written many famous novels, which are known as The Guide, Swami and Friends (Swami and Friends), The English Teacher. He was also awarded several awards for his great writings. R.K. Narayana won the Sohita Academy Award in 1958 for her novel The Guide. While in 1980, AC Benson was awarded the medal. In addition, he was nominated for Rajya Sabha in 1989, given the skilled talent of R.K. Narayan. Those of Rajya Sabha In the year, N'ayaan tried to improve the education system. R.K. N'Yraya was also honored with Padma V. Bushan. Read more: Please note: Malgovdi Days – Malgovdi Days book in Hindi Here are some of the selected books in this article.
