Haflinger for sale colorado

Hello and welcome to our farm where our famous Austrian and American Hapinger horses are currently galloping through the fields in the Sangra de Cristo mountain valley 2,500 metres above sea level! We are proud to continue years of service to these golden horses and our customers. Three generations later our family still breeds, breeds, trains and sells the highest quality thoroughbreds according to our breed and customer standards! Let's not be this surprising because we also raise some high quality cutting horses allowing times when good heart palpitations are required by horse, cow, and rider! All our horses are used to work and play around the farm, in the gig pen, and for their fun! For more information please look online at our and feel free to call, email, write or just drop by at any time!
