Ics. June 11 Tues. 7th Year Millicoma Student bbq & End of year Dance 18:00 - 21:00. June 12 Wed. U.S. Popular in Immunizations Current Oregon law requires that subsequent immunizations be up-to-date or complete before starting school and that a signed statement by a physician or local health department be provided upon enrollment. Kindergarten - 6th grade: DaSkrt/Tetanus/Pertussis (DTap), Polio, Planovice (chickenpox), MMR, Hepatitis B, Hepatitis A. 7th - 12th degree: Daphtheria /Tetanus/Pertussis (DTap), Tdap, Polio, Varicella (Chickenpox), MMR, Hepatitis B, Hepatitis A. Oregon law also provides that a doctor or department of health can confirm that a child's physical condition is such that immunization would endanger his/her health, or a parent/guardian can complete an educational vaccine module from Oregon Healthauthority. Students who plan to participate in athletics must have a physical examination performed by a doctor before training and competition. The test must be carried out every two years and should also be carried out not earlier than 1 January 2004. Pupils in the sixth grade who wish to take part in cross-country skiing must also take the exam. Transferring districts: If you are interested in your child/children going to school outside your resident district, you must fill out the Interdistrict Transfer Agreement form. These forms are available at school district offices and school websites under parents/parents. (or see below) \* Proof of residency requirements (see below) Transition Q/A Parents of high school students transitioning in high school, 5. The following Q/A link will hopefully resolve many of your kindergarten transition concerns – All you need to know is the Elementary Transition to North Bend High School Q/High School Transition to High School Bend High School Q/A Coos Bay Public School (Coos Bay School District 9) is a public school district that serves the city of Coos Bay, Oregon, United States. [1] Demographics in the 2009 school year, the district had 301 students classified as homeless by the Department of Education, or 8.6% of students in the District. [2] Blossom Gulch Elementary School (K-3) Madison [1] Millicoma High School (4-7) Sunset School (8-12) Marshfield High School[1] Harding Learning Center Alternative Instruction for Middle School (AIMS)[1] Community Experience for Career Education (CE2)[1] Destinations Academy[1] Interim Program of Academic & Social Skills (IPASS)[1] Resource Link Public Charter School (Grade K-12)[1] Teen Parent Program[1] Reference ^ a b c d e f g h i j k l Coos Bay Public Schools. They were obtained from 2007-12-07. ^ Number of homeless students in Oregon school districts, 2008-2009 (PDF). Oregon. p. 6. Archived from the original (PDF) for 2012-10-05. He won 2009-09-18. External Links Official website This Oregon school article is too brief or does not contain important information. Wikipedia can be helped by expanding it.vte Taken from December 30, 2020 Dear Families coquille school district, On December 23, Governor Brown changed metrics for in-person learning from mandatory to counseling, which gave local school districts more control over how to do in-person learning. I know the governor didn't make this decision lightly, and it is now the responsibility of the Coquille School District leadership to make safe decisions for more students engaged in in-person learning. It is also important to note that the 35-square-foot-per-person requirement has not been changed. With this requirement still in place, we will be limited in how many students can physically go to school at any one time. So even if the governor's decision of December 23 will allow more students to go to school regularly, it is still not going to look like a regular school. Here's the overall plan for the Coquille School District. (Please note that this may change depending on what is happening with the virus): From Monday, January 4, 2021, we will have preK-6 students back on subdays. It will look like it was in November before we closed. Students at Lincoln, Coquille Valley, and Winter Lakes Elementary will be on the same schedule they were on before we were forced to close early for the winter break. On Monday, January 11, junior high students who attend Coquille Junior/Senior High will begin back at school. Again, it won't be school five days a week. Mr. Phillely will be sending information about when high school students will go to school. For students attending Winter Lakes High School school building be closed on Monday 4. Odysseyware will be available. From Tuesday, January 5th to Thursday, January 7, the school building and regular online sessions, office hours and CTE sessions will continue. From 1 January, the Winter Lake High School will be open to students who have dedicated places for personal learning. Mrs. Sweeney and your learning specialist will contact you with further information. Finally, on Tuesday, January 19, high school students at Coquille Junior/Senior High will be able to start returning to classes. Once again, Mr. Phillely will let students know about his plans. For those families who want to continue to do only comprehensive distance learning (CDL), they will still be allowed. However, we will no longer have our buses parked throughout the community to be used as hotspots. All our buses will be used to transport students. We'll also be closing the program at Fairview Church. Each school will send more information in the next few days. There will be emails, posts on social media sites and robocalls. When we send a robocall, if you have students in multiple buildings, make sure you listen to every call. Messages will have different information based on your child's school. I know we all want to go back to normal school. This update brings us one step closer to what's happening, but we're not there yet. I want to thank you for your patience and support at this very difficult time that we are all going through. Let's hope it's the light at the end of the tunnel. If you have questions, feel free to contact your child's school or send me an email and we will provide you with answers. With all due respect, Tim Sweeney Sweeney
