We encourage you to read our Privacy Policy and Cookie Policy. Impossible test book Chapter 1Beat exam is designed to test your brainpower, mensa... The share here is the market for Chapter 2. At the beginning of this chapter, you will be given the element: Void To make sure you do every generation in order. (This is a continuation of Chapter 1) 11th Generation: Book = Paper + Pen Machine = cart + forklifts oil = cart + animal killing = water + flour = vintage + fabric gun = saltpetre + sulfur hero = courageous + dragon bulb = cancellation + glass locomotive =cart+wave engine surge engine=cancel+e steam boat=steam engine+sun=total plasma component:122th Generation:airplane=car+bread air=fire+fire+fire=gun probe+gun=sun+grass laser=radio wave+radio fire=radio wave radio+radio surge=radio surge=lightbulbed radio total Component: 129 13th Generation: Apple = Tree + Flower CD = Laser + Computer book = TV + Book plutonium = Radiation + I Rocket = Cancellation + Sun Plane = Sun + Landscape Total Elements: 135 14th Generation : cell=computer+radio wave cyborg=human+internet computer=computer+computer+nuclear bomb=plutonium+satellite weapon=rocket+total component:140 gold&gold=apple+cellular when you get component of 140th, gaping Chapter 3. Extra (Humourous): Gold & Gold = Apple + My Cell Phone Counter just completed all the classic steps of Doodle Mug Planet. Maybe, I'd share some markets to finish the game. I fix the reactions alphabetically for better use. The classic cheaters are composed of 4 separate pages. However, links to navigate are available below. Doodle God Episode 2: Tech Doodle God Episode 2 unlock 1 core components: Void Apple + cellular phone = gold book + TV = computer book + laser = CD computer + computer = computer Internet + human = energy plasma + turf = bulb coffee light + radio waves = metal television + radiation = plutonium metal + water = quick plutonium + weapon = Nuclear Bomb Silver Quick + demigod = wave radio retrace + compare = surge cell phone radio + fire = waves radio laser + radio waves = sun + turf = flowers sun + flowers = flowers = flowers = skull apple + sand = palm tree cancellation + airplanes = rocket avoids + electricity = radio waves + glass = bulbs + plasma = sun drained + rocket = Satellite As you can see, there are only 24 reactions required for step 2. You can create other things that are supposed to be on the next level. However, whatever is created at advanced levels at this level may not be included on the next level. Here are some screen shots of my chemical humility reaction Doodle God Planet: It is quite funny to point out in Episode 2 that Apple + Phone = Gold. It only shows that this game is created in an iOS platform clearly says Apple's products can earn a fortune. 😊 Back to the previous page: Game Chairs: Doodle God Episode 1: Start Proceedings of the Next Page: Game Cheats: Doodle God Episode 3: Modern Age Game Cheats: Doodle God Episode 4: World of Ma Play Game games: Doodle Mug Artifacts Planet please read the reviews: Game Review: Doodle Mug Planet (Part 1) Game Review: Doodle Mug Planet (Part 2) Doodle Combination Of Response Elements for All Levels , Cheats &amp; combination. If you don't know the answer to a certain level of Doodle, check friendly. Find below the complete solution and answer for God's Doodle Element Class. Using this simple chatch index helps you solve all the Doodle God combinations. Find the combinations inserted into filling game Doodle: 0th Generation Earth Air Fire Water 1st Generation Alcohol = Fire + Water Dust = Air + Earth Ergy = Air + Fire Lava = Fire + Steam Earth = Air Magic + Pour. Darkness + animals dark + Earth. Dark + Energy. Dark + Light. Trophies successfully complete one of these tasks to get a trophy: Combo! (Bronze): Create two new elements in a range! Blood (Bronze): Creates 100 different elements. Creator of Civilization (Bronze): Complete episodes first. Creator Tech (Bronze): Completes second episodes. Creator Modernity (Bronze): Complete third episodes. Creator magic (Bronze): Completes fourth episodes. Divinity Darkness (Agent): Creates everything bad. Great Combination (Agent): Creates five new elements in a range. World Creator (Silver): Create a world. Inventory Brilliant (Silver): Complete episodes first, without using any advice. Masters of the worlds (batches): Create worlds without using any advice. Council.
