What is my existence without you.. Tujh se judaa gar ho jaayenge To khud se hi ho jaayenge judaa Se mi separo da te. I will be separated from myself.. Kyonki tum hi ho Ab tum hi ho Zindagi, ab tum hi ho Chain bhi, meraa dard bhi Meri aashiqui ab tum hi ho Why only you are, now you are alone, life. You're my life. My peace, and my pain, you alone are my love. Teraa meraa rishtaa hai kaisaa Ik porta pal gawaaraa nahI Tere liye har roz hain jeete Tujh ko diyaa meraa waqt sabhi Koi lamhaa meraa naa ho tere binaa Har saans pe naam teraa As is our relationship, I don't even like the distance of a moment Every day, I live for you All my time is for you.. There shouldn't be a moment of mine without you, there's your name on every breath.. Tere liye hi jiyaa main Khud ko jo yoon de diya hai Teri wafaa ne mujh ko sambhaalaa Saare ghamon ko dil se nikaala Tere saath mera hai naseeb juDaa Tujhe paa ke adhoora naa raha For you, I lived I gave myself (to you) Your faith [actually means 'my love for you' here] took care of me I took all the pains from (my) heart With you my destiny is attached , Getting you, Nothing is incomplete (inside me, I've been completed)..
