We happened to be about 150' off the road and they were gorgeous! I wish I could upload a picture of him. We have 30 trees and wrap around the top of the picket fence. We used 40 boxes and I bought a lit ball to hang on the arbor. The bluish tinge of cold white is very new England! I haven't had one lamp burned out and all the strands work perfectly. I bought more lights this year. Reviewed by Kenneth K.on Thursday, December 11, 2014 Great products! They blend in. with the Red and Blue LEDs we bought with them and worked perfectly for the Red And White and Blue theme we went through this year. We'll buy more of these lights in the future. Reviewed by Gary B.on Sunday, January 06, 2013 C9 LED Cool White I was impressed with the lights I bought. They'll look great next year on us Reviewed by Gary B.on Sunday, December 09, 2012 My mind when I ordered I was unaware that led bulbs fused to the base when I ordered the light strings. I plan to do a string mix using a red then white bulb on all 8 strings when this fused bulb doesn't happen. Like bright colors. Just wish I didn't have to order 4 more reds and 4 whiter to get this effect on the house. Reviewed by clement n.on Wednesday, December 05, 2012 Not very bright Not designated with illumination compared to inkondesen. Otherwise, good grades. © 2020 Walmart Stores, Inc. ©2020 Walmart Stores, Inc. Inc.
