Turn left and head north on Lehigh Street. After 0.6 miles, light for Downyflake Lane (before Wawa), turn right. Continue for 0.6 miles and turn left on Mack Boulevard. Pass the building and turn left and return to the parking lot. Either park in front of the building or head to the right. Enter from the main entrance. Route 22 PA Turnpike NE Extension If you come from Western points, Take I-78 East (route 309 unites with South). Then follow the instructions above. If you come from the eastern point of the PA Turnpike's NE Extension, it takes Route 309 South (I-78 East). Then follow the instructions above. 22 from the Allentown exit of the PA Turnpike's N.E. Extension. Take Route 309 South (I-78 East). Then follow the instructions above. If you are travelling north on Route 309 North (I-78 West) Route 309 (I-78 West), take Exit 57, Lehigh Street. Turn to Lehigh Street at the end of the ramp. After 0.4 miles, light for Downyflake Lane (before Wawa), turn right. Then all positions following the above guidelines have been posted on the website? Yes, all vacancies at LVHN are on the website. What should I do if I do not meet the minimum requirements of the position? If you apply for a position and do not meet the minimum requirements, your application will not move forward. We recommend that you review the minimum requirements in each position before applying. Candidates will only be considered qualified if minimum requirements are met. What if I don't remember my user ID or password? For your convenience, you can request your login by logging in tinkling all jobs, and then clicking on the 'log in now' button (at the bottom of the search box) and then clicking on the 'forgot username/password' link. Please write to your security question and answer it. If you forget your user ID or password, you'll need it. What happens if I receive an error message that says the user name should be too short, a min of 5 characters? Please contact support@healthcaresource.com and contact the new username and/or password will be emailed to you within 24 hours. will be sent. Request. What information is required about the application? Please access the following information: employment information (employment dates, employer name, address and phone number and supervisor name), training information (degree and completion date), three (3) professional references (colleague, supervisor, colleague, professor), and a copy and paste, or (Microsoft Word) copy and paste, or a copy of your resume to upload to the application (Microsoft Word). How do I apply for LVHN? Sign in to and click 'search jobs' You can search for all open positions or positions based on the category to consider for a position, you must meet the minimum requirements listed in the posting. If you do not meet the minimum requirements, the application will not be considered. If you have identified a job that you are interested in and meet the minimum requirements, click on the 'Click here to refer to the line' link. You'll be asked to create a career profile and start the app. Please write to your security question and answer it. This information will be requested if you forget your user ID or password. Remember to save frequently during the application process. Upon completion of the application, you will be asked to complete the HSA conduct survey. This survey must be completed before you can proceed through the scanning process of your application. Please wait about 40 minutes to complete the practice and behavior survey. After you send the application, you will receive an email notification from HealthCare Source stating that your application has been received. The application status will also be visible in your career profile. Why are questions asked before an application is started? These are pre-screening questions that confirm that the applicant meets the minimum requirements for the position. If you do not meet the minimum requirements for the position, you will not be cannot complete the application for this position. What happens if I didn't complete the HSA survey after I applied? Your application will not progress through the screening process until your survey is complete. The survey must be completed once over a period of three (3) years. If you completed the survey in the last three (3) years, you don't need to complete the survey again. How do I re-access the HSA survey? Please online survey by entering the username = lvh Password = survey How can I confirm that my application has been received? For your comfort, the status of your be viewed with a new session; by clicking on career opportunities; search for all jobs; and then click the Log in Now link at the bottom of the page to access the applicant self-service features. After I have applied, What happens next? Your application will be reviewed by the Senior Recruitment Specialist within two business days. Candidates who have both minimum requirements and preferred qualifications (if any) will be taken from the priority assessment. If you are selected for an interview, the hiring manager will contact you directly by phone or email within 30 days of your application. You can continue to check the status of your application by entering your career profile. Due to the high number of applications, only people selected for the interview will be contacted. How do I communicate? If the Hiring Manager is interested in your application, you can reach you by phone or email. The status of your be viewed by logging sessions; by clicking on career opportunities; search for all jobs; and then click the Log In Now link at the bottom of the page to access the applicant's self-service features. How do I update my app? You can update your app each time you apply for a new position. You cannot update a reference after it has been sent for a position. If I make an application, will I be considered for more than one position? You need to apply separately for each position, and you can only apply once for each position. Should I constantly check the website for new positions? You can set up a job search agent in your career profile. With Business Agents, you can specify specific criteria for engaging jobs. You are notified when jobs that meet these criteria are posted. You must submit an individual application for each position. Can you drop off my resume or email it? LVHN only accepts applications made through the application tracking system. Resumes are not considered applications. If you do not have access to a home computer, you can apply from the 2100 Mack Blvd, Allentown office or apply to a public library. If you apply at 2100 Mack, you can't copy and paste or upload your resume. PA Careerlink also has computers accessible to job seekers. What if I can't complete or send my application because the application has expired or cannot be updated? We recommend using the latest versions of Google Chrome, Firefox, or Internet Explorer version 10 or later. Some older applications are not compatible with the system. Are there pre-work requirements? Yes, you are required to successfully comply with all HR requirements, including but not limited to employment offers, criminal ground checks, child abuse permits, education verification, employment verification, professional references, physical, drug and alcohol screening, nicotine screening, FBI fingerprinting, license verification, etc. Flu vaccine is required for all colleagues with patient contact unless it is due to medical contraindication or bona encouraged for all colleagues with religious belief or practice and force. What are the benefits with LVHN? LVHN offers a comprehensive benefit package with medical, dental and vision coverage. Detailed benefit information is provided during an employment offer. Benefits can always change. The benefits of a cigarette additional fee are assessed for their premiums. We offer the opportunity to learn more about smoking programs. If I smoke, does that prohibit employment with LVHN? Not right now. To ensure a fair and consistent screening process, LVHN tests all newly hired employees for nicotine and nicotine metabolites during pre-placement physical evaluation to verify their answers to the question of nicotine use in pre-placement medical form. Nicotine use employment with LVHN is not an automatic disqualification. The benefits of a cigarette additional fee are assessed for their premiums. We offer the opportunity to learn more about smoking programs. What is the standard of smoking on LVHN's premises? It is consistent with our mission to improve the health of our community and is prohibited in all hospitals owned, rented or rented by LVHN in response to growing evidence of health and safety risks related to tobacco use and exposure to second-hand smoke, smoking and all tobacco use. This applies to both employees and members of the public. Public.
