Clarion considers lower applicants based on their high school prints, GPA, SAT/ACT scores, letters of recommendation and personal essays. Graduate applicants must have a bachelor's degree from an accredited institution with a minimum of 2.75 GPA. Applicants must also submit official transcripts, a CV and letters of recommendation. They may also be required to send GMAT or GRE scores, depending on the program. Applicants can transfer at least six completed credits, provided they earned the credits at an accredited university, in good condition, with a cumulative GPA of at least 2.0 Student population: 5225 Student-to-faculty Ratio: 18:1 Percent receiving scholarship or scholarship assistance: 95% Founded: 1867 Accreditation: Middle States Commission on Higher Education Full-Time Freshman Retention Rate: 74% Required Standardized Test (s: SAT, ACT, GRE, and/or GMAT Public/Private: Public exam course: 50% Address: 909 E Wood St., Clarion, PA 16214 Phone number: (800) 672-7171 Social media: Facebook; Twitter; YouTube Clarion University of Pennsylvania Online offers: Six affiliated degrees 11 bachelor's degrees 11 master's degrees A Doctorate 16 certificates and special programs The best online colleges in Pennsylvania for 2018 The 15 best online master's degrees in media communication programs Students also saw these schools last updated: 06. Writers Preparing for college before the first day sets up new students for success. Beginning college can be overwhelming, even for students who have taken college-level classes in

the past. Know.... Founded in 1875, IUP is a vibrant, comprehensive, research-based, teaching-focused, student-centered learning community. IUP combines the academic opportunities of a large university with the highly personal and intimate learning-centered environment of a small college. At the IUP, students find a variety of academic programs and resources to take. Choose a traditional course of study, such as philosophy, English or anthropology, or concentrate on a career-oriented, applied major, such as safety science or respiratory treatment. Students can also pursue a degree in a full online format or a mixed format. Millersville University of Pennsylvania is a four-year public institution in Millersville, Pennsylvania. Millersville was founded in 1855 as the first Normal School in Pennsylvania and is one of fourteen universities in the Pennsylvania State System of Higher Education.
