Looking for a more fun children's craft project? Try: Nails for kids kids crafts kids art activities art art nail art the best art, but often you need arms and legs to get it, and the idea to do it yourself is to laugh. But we have four ways you can do all your own nails. - No disappointments included. Make it shine. At Marc Jacobs' spring show, nail manicure Jin Soon Choi painted the nail with a special-looking cherry red, a red manicure house (using bright shades such as Marc Jacobs Beauty Lola) with a shimmering dense robe (try one by one by Formula X), closing it on top. Use a striped brush from a craft store to draw opaque nude manicure tips. Draw a line. The rhythm of the brighter polishing up the middle of each nail is graphic and better yet easier. Use a strip brush to paint the lines over the bare nails or opaque polish. You want the bar to feel like an exclamation point, painted in a rainbow. When you can't decide all the one shades, you'll be able to choose a single shade. Keep the skin consistent by adding a sparkling coat (try London Stard butter), otherwise you'll look like you're testing the paint at the nail salon. When people actually try Pinterest nails: If you've ever scrolled through Instagram, you may be intimidated by all the amazing nail art that people seem to post, and if you haven't, you have to try it. #nailartสามารถนำรูปลักษณะต่างๆมาลงทวิตเตอร์ได้โดยไม่ต้องมีสำเนาว่าผู้คนมีทักษะ However, it asks the question: Where do people find time to complete these designs? Seriously, some people look like they can take hours to pull off. As someone who always goes and runs around all over the place, finding time to paint my nails is difficult. - And the creation of complex designs is just out of the question. To be honest, I can't hold a set of appliances sometimes without putting them at some point during my meal, so holding a solid nail polish brush can be tricky. Fortunately, there are nail tricks that you can pull off in 30 seconds or less! Simplicity can go a long way when it comes to being on trend. After all, having the perfect nail design can make a bold and powerful statement to tie all your outfits together. With spring in full swing, there is no time like the present to up your mani game and make your nails envy all your friends. Bonus: No need to use fancy nail art tools; all these designs can be done with what you have around the House HeartStep 1: fold the tape half clear. Step 2: Half of the heart on tape. Step 3: Cut the heart design and unfold the tape. Step 4: Place the tape over your nails. Step 5: Paint over the stencil with the second color. Step 6: Carefully remove the tape. Step 1: Fold the piece of tape in half and draw half of the diamond. Step 2: Cut the design and unfold the tape Step 3: Place half of the diamond-shaped tape over the beak. Step 4: Paint on the tape with the second color. Step 5: Carefully remove the tape. Step 1: Dip the tip of the pen in the nail polish. Step 2: Gently place a spot over the nail, starting in the form of a diamond. Step 1: Pour at least four nail polish colors onto a piece of plastic wrap. Step 2: Apply another piece of plastic wrap and dip it in the first nail polish color. Step 3: Slap the nail on the nail. Step 4: Repeat with other colors. Step 2: Paint the nails with the second color and carefully remove the tape (I can not stress enough, do not rush like I do, or you will end up with inaccurate lines). Step 1: Cut out the cotton tip Place a cotton swab between two toothpicks and tape together. Step 2: Dip the ends of the toothpick in the nail polish and swipe across the nails to reveal two lines. Spot the nail polish during the lines of Step 1: Spot nail polish on the nail with a brush that focuses on the paste. The spot in the corner of the nail. Step 2: Break the toothpick and dip the tip into the nail polish. Draw a border around the dots.
