I found a note on the fridge, Sayid. And since you're not here, and there's a beer chill, I guess you're not talking about Frigidere, girl no, you never liked my mother, or my dog, or worst of all, I never said a word when you told me to turn the Slobber around, but I finally found something colder than you. I'm happy, and that's what they never said when they talk about us, but they don't leave a note when it explodes, and they don't leave a note when it explodes, and it just goes off, and it's something they never said when they talk about us, but doesn't leave a note when it explodes. , and just pushed, and just pushed. But maybe I finally found something colder than you. 'Cause that's something I'm not going to get tired of. Because I finally found something colder than you, I'm happy, and damn it, it helps me pick it up, goodbye, and damn it, Girl, I'm not drowning you, these mountains are all here, getting blue. I've finally found something colder than you, I'm colder than you. Babe Cold colder than Canaan Smith co-created Colder from You with Tyler Hubbard and Brian Kelly from the Florida Georgia Line. Smith explained: "We wrote Colder Than You a little over a year ago and I kept coming back to it. For me, this song leads with its lyrics, and as a songwriter, it's something I'm always looking for. I love the clever word - I've always been a screw-up about it - and I'm just really proud that the country feels, in general, I hope everyone who's been in a bad breakup laughs about it and enjoys listening to it as much as I do. I'm sorry, this doesn't work, and since you're not here and you won't be here, I guess you're not talking about Frigidat, girl, no, you never liked my mother or my dog, nor the worst part is that I never said a word when you told me to say no Merle Mmm Maybe I finally found something colder than you, I'm happy like hell it helps me pick it up, it took you goodbye and hell, I erased it Girl, I'm not drowning your memories, these mountains are all here, it's getting blue baby, I've finally found something colder. But I finally found something colder than you, I'm happy like hell and hell, it helps me pick it up, it's gone goodbye and hell. Maybe I finally found something colder than you, thank God you left me 12 pack cold, because I'm not going to get tired of Wood, because I finally found something colder than you. I didn't give your memories, these mountains are all here to be a baby.
