Ultimate assassin game

Resize the game screen 100% reset Perform About the game Ultimate Assassin is a persistent text-based mafia MMORPG. With the same goal in mind, rank other players and reach the top! Be powerful, wealthy and eliminate other players. Initially you can start by doing GTA (stealing cars), chase (run the police out), petty theft, missions and more with some easy cash. As you progress through in-game rank, you'll earn bullets and unlock more features each time you claim a ranked hitman (10/24). Be careful as you may lose everything when you are assassinated by another player! The more you go, the harder it is to kill, making it easier to assassinate others. Ultimate Assassin 3 is an addictive strategy game created by Hermann Haskan. You are an assassin sent from the future to eliminate any specific targets. Your mission is simple: kill the green people and escape! Controls: Arrow = Move Assassin, Z = Speed, X = Transparent We may use cookies to help us customize your experience.
