## Math olympiad problems 3rd grade

Think again! Math Olympiad in Linton is a very fun program that teaches kids how to solve problems effectively! Students of all mathematical skills with a positive attitude and willingness to work, participate and learn will benefit from participation. Students often do better in their other classes (not just maths!) by applying what they learn at the Math Olympiad. A voluntary enrichment program (nationally coordinated) An additional challenge in basic math skills An opportunity to learn creative problem-solving approaches Who can participate in the Math Olympiad? Any 4th or 5th grade student 3rd grader with teacher recommendation NOTE: Students should be interested in math and willing to actively participate How does it work? Meet weekly (Wednesday afternoon from 3:00-3:45 in Mrs. Leerssen's 4th grade room) Tests clocking monthly from November to March (each test is approximately 25 minutes long) Practice tests and discussions about non-test weeks Parents are encouraged and welcome to help coaches: Parents' coaches make small group learning possible! Students with parents involved get the most out of Math Olympiad BONUS! Parent coaches often find that their own math and problem solving skills improve! Rewards? Improved skills in math and other subjects Increased self-confidence The most important thing: FUN! Award medals for top scorers and special prizes at the Medallion Math Olympiad for their perfect score in all 5 tests (very rare!) Trophy for the best score in the school Pins for the top 10% (silver) and the top 2% (gold) math olympiad patch national ranking for students in the top half of the special activities of the national ranking that we have done in recent years: Almost 39 Clues Scavenger Hunt World Series of Math Poudre Schools Mighty Math Minds Tournament End of Year with Donald in Mathmagic Land Degrees?
