Applebee has consistently achieved success since they opened up for the franchise in the 1980s. By 2018, the restaurant has more than a thousand locations in more than 15 countries. Their top management has always been praised for taking care of their employees. In 2002, they were even recognized by People Report for their efforts to create programs to address staff turnover issues. The Applebee review is known for leaving customers satisfied. Perhaps that's why his regular clients are made up of people of all ages, from toddlers to the elderly. Its menu includes a wide range of mouthwatering food choices that all come in enough servings. I bet you'll already be full and satisfied with the snacks alone. Choices include spinach and artichoke dip, double crunch bone in the wings, chicken quesadilla, and Mozzarella sticks. Of course, it also has a wide range of options for pasta, sandwiches and steaks. Their staff is quite attentive. They are trained to be friendly, patient and and
