Take some of the most intimidating criminal organizations and you will deal with maniacs who try to rule the whole world. Pick up your weapons and form your final team to deal effectively with enemies. Choose your tactics and approaches to certain challenges in the game. Pick up your weapons and complete exciting FPS campaigns that will introduce you to some of the toughest and most intimidating criminal organizations. Embark on your journey to Modern Combat 5 and enjoy new features and gameplay that you haven't tried before. Find out more about this amazing game from Gameloft SE with our ratings. Story In the game, android gamers will follow in the footsteps of a capable special forces agent, who has also been released by many of those close to him. And this time, he'll come back for everything. Revenge, action and epic shooting challenges, everyone is waiting to enjoy it. Embark on your shooting journeys as you fight a criminal who intended to destroy the Earth as we know it. Give a final stop to his crazy plans when you stop at epic shooting challenges, enjoy great action and immerse yourself in stunning and enjoyable stories. Enjoy a beautiful and addicted shooter playing with smooth and intuitive controls. You can freely control your movements, target angles, increase options, switch weapons, and enable many useful abilities using simple touch options and gestures. Therefore, it will be relatively easy for you to quickly familiarize yourself with the game. In addition, for those of you interested, Modern Combat 5 also includes customizable control settings that give you an omegajo customization experience in the game. Feel set the best controls with many available settings. Plus, if you want to play the game with external controls, Modern Combat 5 also features useful external support controls that you can use. When you start your shooting challenges, the game also has different classes of characters that you can pick up before battles. Choose from different soldiers from 9 classes, each with their own unique features and certain sets of stats. Choose the ways that suit you best. From Assault, Heavy, Recon, Sniper, Support, Bounty Hunter and so on. Switch between different classes and their characters to understand more about the game. Find the right class for you while also learning how to deal with certain enemies. In addition, you will be able to activate and apply special skills for each class. Earn and spend your point skills to effectively power your heroes during your epic shooter challenges against enemies. In addition, for everyone you are interested in, the game also includes an in-depth and unified promotion system. Take your heroes through a series of interesting missions and join the team in epic matchups. Win against opponents and beat them to gain XP points. Level your heroes to unlock new features. Start a higher gun and collect more capable weapons. Also, master your lower-level rifles so you can be ready for much stronger firearms cuts. Upgrade and customize your weapons to be more capable during battles, and so on. Make use of different weapons, each with your own unique use and ability to deal effectively with your enemies. Shoot your targets from a distance with precise shots. Or you can shoot a bunch of enemies with bazookas. And unlike most other mediocre shooter titles, with Modern Combat 5, Android gamers will have their chances to enjoy epic and addictive shooter challenges that allow them to engage in super online shooter gameplay with friends and online players from all over the world. Choose your weapons and equipment to prepare for the following challenges. Take on your opponents in epic Squad vs Squad matches where you have to work as a team to achieve a common goal, defeat your enemies and gain victory. Communicate with your teammates to come up with their tactics and approach the game. And whenever they kill you, it's always possible to see a co-star with the viewer mode. Give them advice and tactics, that's the key to achieving your goals. You can chat with online players around the world and set up your matchups using Global Chats. And if you want, the game also includes exciting individual and squad matchups as you match up with the best FPS players in Modern Combat 5. Win against the best individuals and collect your special Every once in a while, the game has some interesting limited time events with a variety of topics for you to pick up and enjoy. Free to challenge enemies in this great gameplay, win against them and lead your men to victories. And don't forget your limited special rewards. On the other hand, if you want to enjoy addictive shooting experiences on your solo adventures, the game also offers exciting challenges with one player for Android gamers to enjoy whenever they have time. Find out the most stunning stories that will take you through the most famous locations around the world. Takedown your enemies in an epic shooter campaign, from Tokyo to L.A. Discover unique and satisfying shooter gameplay. In addition, with the new Spec Ops mission, you can also enjoy exciting solo missions on your own. And despite all those amazing features, the game is currently free for all Android gamers to enjoy on their mobile devices. So you can easily download and install it from the Google Play Store without paying anything. Given that it's a freemium title, it might seem a little different. Given that you can always make the game a little less challenging with our small picks Modern Combat 5. Enjoy the awesome one-player challenges in God mode as you take down all the enemies who stand in the way without harm. In addition, antiban will also be available to protect your account.
