View -- Protestant Reformation: Martin Luther and Henry VIII Free Click below to download this sheet for use in the classroom or at home. Download -- Martin Luther, a monk from Wittenberg in Germany began to criticize the power and corruption of the Catholic Church in 1517. Luther demanded church reform. PDF Worksheet: Aimed at students studying in the UK for Year 8 or the equivalent of Free Download Use as you want in a classroom or home environment Structured study guide and complex issues. FreeThree Powerpoint presentation, one simple choice of sources, presenting Henry VIII, the second lesson on the causes of the European Reformation (Luther), asking why Protestantism may have been attractive to Henry VIII, and the third mixture of Henry's character and why he wanted to break out of the Catholic Church (some elements of the first ppt included). In addition, the sheet asking students to consider the main source and how it reflects Henry's reasons for breaking up with Rome (higher abilities). Read moreFreeReport the problem Of Detailed and well-differentiated, an edited history lesson all about Henry VIII and the English Reformation. The lesson details the most important reasons why Henry VIII decided to break up with Rome before challenging students to give an extended writing task based on their teaching. This lesson lasts 1 hour and is very easy to just pick up and use. It's suitable for any KS3 class, but was originally created for Year 7. The download includes: detailed PowerPoint, various activities, sheets, source sheet, advanced literacy plenary sessions, clips and more.
